FT. WAYNE MAN HAS GAINED 20 POUNDS

Nerves Steady, Sleeps Sound And Has a Ravenous Appetite Since Taking Tanlac—Feels Like New Made Man.

Another Indiana man relates his remarkable experience with Tanlac. Walter N. Diehl, 1417 East Creighton street, Fort Wayne, a well known employee of the Wayne Oil Tank company, declares that a few bottles of the medicine has put him in shape to where he has actually gained twenty pounds in weight. Here is his statement:

"About six years ago I was operated upon for gallstones and after getting up it seemed nearly everything was wrong with me. My stomach was out of order all the time, my appetite was about gone, and what little I did manage to eat always hurt me. I suffered from shortness of breath and any little exercise would tire me completely out and get my nerves so upset that I couldn't rest. My kidneys were in bad shape. I also had rheumatism, felt weak all the time and had no energy, and while I took nearly everything I ever heard of nothing did me much good, if any.

"Then, about a year ago, while still in this run-down condition, the 'flu' came along and I was an easy victim. I was down in bed for several weeks and no hope was held out for my recovery. I certainly had a very close call and when I did finally get up, my stomach, kidneys and rheumatism were in worse shape than ever. I kept reading and hearing about Tanlac and thinking it might possibly help me. I bought a bottle and before I had finished taking it there was a wonderful improvement in my feelings. Then I bought another, then another and kept getting better. Well, to put it all in all in as few words as possible, I have taken four bottles of Tanlac now and am just like a man made new. When I got on the scales the other day I found I had actually gained twenty pounds in weight. But I am not much surprised at this for I have been eating like a wolf and picking up ever since I finished my first bottle of Tanlac. My nerves are as strong and steady as ever and Tanlac has made such a wonderful change in me that I am glad of the opportunity to pass the good news along."

Tanlac is sold in Decatur at Smith, Yager & Palks; in Berne at Stensel & Craig's and in Geneva at F. C. Deitsch's drug store.

Letters From The Home-Comers

The following letters were received by Herman J. Yager, chairman of the Old Home Week committee, in acknowledgement of the invitations sent to them to attend Decatur's Second Old Home Week and the Northern Indiana Fair during the week of August 9th. Hundreds are coming and a big time is being planned. Write to your friends and relatives to come.

Omaha, Neb., July 13, 1920.
Chairman Old Home Week Com.,
Decatur, Indiana.

Dear Mr. Chairman:
It is with a great sense of pleasure that I acknowledge receipt of your favor of the 23rd ultimo regarding "Old Home Week in Decatur." I truly appreciate the fact that you have remembered that I am one of the boys, and that I still have a very warm place in my heart for the old home. At the present time it is impossible for me to state whether it would be convenient for me to spend the week at the old home owing to other business arrangements. However, I am anticipating a trip to New York sometime the latter part of August and will try and arrange to spend at least a day at Decatur and hope to have the pleasure of shaking hands with you. Please accept my sincere thanks for your kind remembrance. I am
Very truly yours,
R. F. ELZEY.

Detroit, Mich., July 13, 1920.
Chairman Old Home Week Com.,
Decatur, Indiana.

Dear Mr. Chairman:
It is with a great deal of pleasure that I am answering your invitation to "Old Home Week" for I am proud to say that I may be counted as one of the natives of Adams county. As I look back upon my early days spent in the environment of Decatur, Indiana, I realize where my ambition came from, to try and get out in this world and make a success, or in other words to make something out of myself. It is only in such an environment as this, in association with real good round men that I have grown to know from my experience in life when back in this same old town of Decatur that one would want to push ahead and try to show the people of the town from which they saw you grow up as a small boy in to manhood, that it is very easy to get out and make something of yourself. In other words, I mean to say, that coming from a town like Decatur, is an asset rather than a handicap. From my early boyhood it was instilled in my mind the value of friendship of my fellow-man, and oftentimes this friendship is much more valuable than money. As I have grown to know my associates in my particular profession, the one's I am glad to count as my friends, I always find that they come from such the same kind of an environment as I myself did.

As I look over the long list of names upon this invitation, I see names that have long left my memory, and my heart aches to know what the past fifteen or sixteen years has done for them. I can't help but feel that they have all met with success, because they have the kind of stuff in them that counts for success. I can sincerely say deep down in my heart that I would not miss this invitation for a great deal. While I am in a game that is hard to get away from, nevertheless I feel that a few days spent back in Decatur would only send me back to Detroit with new vigor, in fact a new lease on life. After all, Decatur isn't the isolated little town that one would think it was. Its reputation to my knowledge, has extended to foreign lands, for I personally know that while I was an officer in France I had the pleasure of taking care of a couple of soldiers who, when asked where they were from, only too proudly threw out their chests and said, Decatur, Indiana. Of course that immediately found a soft spot in my heart and I would be very glad to know if these same boys reached home safely after the war was over. One I distinctly remember lived on the Mud Pike and the other one I have forgotten just exactly where, but some where close to town.

Now, Mr. Chairman of the Invitation Committee, it seems as though I could write a book about your town but I presume that all who come from this town could do the same thing however I again wish to thank you for the invitation and surely will be on

deck between August 9th and 14th.
Very truly yours,
H. F. DIBBLE, M. D.

Dear Mr. Chairman:
We received, with pleasure, your invitation to attend "Old Home Week" in August. If nothing prevents will be with you at that time.

Thanking you, we remain
Sincerely,

Chairman Old Home Week Com.,
Decatur, Indiana.

Dear Mr. Chairman:
I received your letter of June 23rd. I was fortunate to be able to take in a day or two of the Old Home Week in 1912 and if I was turned loose nothing would keep me from coming back this year, but we are fighting a new proposition down here with a bunch of "niggers" and no chance for me to get away.

It has been sixteen years since I left old Decatur, but when I am asked where I live, I always say "Decatur" so you see how I stand.

I do hope that the week will bring many of the people back home and that it will be one round of pleasure and happiness to all.

With the best of good wishes, I am
Yours,
C. A. MERRYMAN.

My dear John:
I have your favor of recent date advising me that the best day for my attendance at the old settlers meeting will be August 12th and that you will expect the writer to be there prepared to make a speech and that you will promise that no rude practices shall be inflicted on me as was the case some years ago, until I have finished and if nothing prevents me I will try to arrange to be present.

Thanking you, as well as the committee for this kind invitation, I beg to remain
