## VETERAN OF WAR RECEIVES HELP WHEN NEEDED

Expresses Thanks for Relief Trutona Gave Him After He Had Suffered Long Time

Indianapolis, Ind., July 26.—"Trutona has made me feel better in every way and I think it must be the fountain of youth we read so much about nowadays," says Alfred N. Middleton, 81 years old, who lives in Indianapolis at 514 West Henry street.

"I contracted the rheumatism in 1862 during the civil war, and about six years ago I began having trouble with my kidneys. I suffered severe pains in the small of my back, and in my hips. My kidneys were very weak, too. The rheumatism caused my joints to swell, and I'd become so sore at times I could not bear to have any one touch me."

"I tried medicine after medicine, but none of them seemed to do me any good. But, Trutona was different from the others, for the results I've obtained from it are certainly making me feel good. My rheumatism is better than it has been for the past twenty years, and I no longer suffer the pains in my back and hips. I am eating like I used to when I was a 16-year-old boy, and I feel just like a boy, compared with how I felt three or four weeks ago."

Trutona is really a medicine of unusual merit. It is unsurpassed as a reconstructive agency, system purifier and body invigorant. Trutona has been declared peerless as a treatment for stomach, liver and bowel troubles.

Trutona is sold in Decatur at Smith, Yager & Falk's.

### DON'T BLAME THE WEATHER TOO MUCH

If you are feeling lazy and languid, seem dull and stupid, lacking in strength and ambition, do not blame it altogether on the weather. The hot sun will not oppress you so much if the bowels are regular and the liver active and healthy. Foley Cathartic Tablets banish biliousness, bloating, gas, bad breath and other results of indigestion and constipation. They cleanse the bowels, sweeten the stomach and invigorate the liver. Sold everywhere.

### Woman's Beauty No Secret.

It all lies in the care she takes upon herself and in keeping at bay those dread ills peculiar to her sex. The flashing eye, the elastic step and the clear complexion never accompany organic troubles. The distressed expression, lassitude, headaches and mental depression are only the tell-tale symptoms. Women so troubled should take Lydia E. Pinkham's Vegetable Compound, that simple remedy made from roots and herbs, and restore their health to a normal condition.

Ben Liniger of west of the city transacted business here yesterday.
