BABY NAMED LYDIA E. Because Her Mother Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N. Y.—"I could not write all my thanks for your blessed medicine, Lydia E. Pinkham's Vegetable Compound. I was in a very bad condition and had lost two babies. One of my good friends told me about Lydia E. Pinkham's Vegetable Compound and after I had taken eight or ten bottles I felt like a different woman. I kept on taking it until my baby girl was born last month and we have had her christened Lydia Elizabeth. I wish you to publish my letter to benefit other women who are suffering as I was."—Mrs. KATHERINE KUEBACKER, 1046 Manhattan Avenue, Brooklyn, N. Y.

Nothing handsomer in coats has passed in review thus far this fall than the well-designed and beautifully finished coat which is shown in the illustration above. That is saying a good deal, since the passing show of autumn models has been generous as to numbers and unusually excellent in every way. Bolivia cloth—perhaps with a new name—is the soft material which the designer chooses to begin with, and it is the best available for a coat of this character.

The texture of Bolivia and other velvet fabrics results in rich color effects and leads up to the fur collars that appear on so many of the dressy models. An embellishment up to the level of cloth and fur must be chosen, and is found in handsome embroidery and tassels like those on the coat pictured.

Leavenworth, Kan., Oct. 6.—(Special to Daily Democrat)—Eckhart von Schack, former German vice consul at San Francisco was expected to be freed from the federal prison here today on receipt of parole papers from Washington.

A MERCILESS JUDGE. One Who Shows No Favor. A merciless judge is Father Time. Before him the weak and he wanting go to the wall. Only the truth can stand. For years the following statement from a Decatur resident has withstood the sternest of all tests.

John Waggoner, retired farmer, 309 N. First St., says: "My back ached and my kidneys acted irregularly. At night I was compelled to get up frequently on account of weak kidneys, which annoyed and distressed me. A box of Doan's Kidney Pills, procured from the Holthouse Drug Co., put my kidneys in good shape."

SEVEN YEARS LATER Mr. Waggoner said: "Although I haven't needed Doan's Kidney Pills for a long time I surely haven't forgotten the good they did me. I am glad to confirm my former endorsement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Waggoner had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

If the truth were known there are a lot of wives in Adams county who feel mighty mortified at the last season's hats. It is your undivided duty to look as fresh and green today as when you were trying to muster up enough nerve to "ask father."

And we thought that you would rather have us break the news gently than have it brought to your notice a little later in the month—forcibly.
