OLIVE THOMAS AT MECCA

Olive Thomas gives a delightful performance as a vivacious Irish lassie in "Darling Mine," a Selznick Picture, which shows at the Mecca theatre tonight.

It may be said, in fact, that from every standpoint this is the best photoplay Olive Thomas has yet appeared in.

Between twenty-five and thirty members attended the business and social meeting of the Y. P. A. at the home of Mr. and Mrs. Bob Garard last evening. Plans were made for the advancement of the society and other business of importance attended to. A social hour was enjoyed after which the hostess served delicious refreshments.

Members of the Phoebe Bible class of the Reformed church held the regular monthly meeting at the home of Mrs. L. W. Stolte Tuesday evening. The class decided to give a two-cent supper at the K. of P. home on Saturday evening, November 20, the menu for the supper to be announced later. The young ladies also presented Mrs. Stolte with a silver cream and sugar set, as a token of the esteem in which they hold this estimable lady. The Stoltes will move soon to Dayton, Ohio, where Rev. Stolte has accepted the pastorate of one of the Reformed churches.

The Delta Theta Tau sorority held their regular meeting last evening at the home of Mrs. Florence Bowers. The installation of new officers for the ensuing year together with a business and social period was held. The new officers of the sorority are: President, Marcella Kuebler; secretary, Jessie Holthouse; treasurer, Margaret Smith; sergeant-at-arms, Lois Connell; historian, Genevieve Bremerkamp; press correspondent, Florence Holthouse.

Rev. Saunders will lead the mid-week service at the Presbyterian church this evening, the subject being "A Trip Around the Homeland," being a study of the church in America. Mrs. Benvers and other assistants will have a part in the service, which promises to be one of the most interesting of the study. The meeting of the teachers and officers has been postponed until Friday evening.

A reversal of the usual procedure in military government tactics is reported from Cork. Soldiers doing police duty have been notified by Sir John Poinson that they will be "severely dealt with" if found on the streets after nine p. m.

Lydia E. Pinkham's Vegetable Compound Has Been This Woman's Safeguard All That Time.

theatrical world, where she acts as the deus ex machina in the love affairs of others and has a great romance herself, culminating after many disappointments, in great happiness.

Many wonderfully picturesque settings are included, and the theatrical costumes of Miss Thomas are a delight. A capable company of players man supports Miss Thomas.

Strive To Have Healthy Skin

Next time you are in a gathering of women note the different conditions apparent in complexion. You will see some filled with blackheads, some dry and rough, some smooth and greasy, some smeared with rouge, some streaked with heavy metallic powders and once in a while you will see one that is a demonstration of intelligence from every point of view. The color is rosy, the skin is clear and smooth, the pores are small and open, the powder does not show on the firm vigorous skin.

Every woman can have a good complexion if she will only use a little discretion. If you would acquire real beauty, the beauty of perfect health, you must replenish your worn-out nerves with lecithin, Nature's own nerve restorer, and put into your blood the invigorating iron which Nature intended it to have for health. In most of the modern foods these and other vitalizing elements have been largely eliminated. Yet to be healthy and beautiful the system must have them. They are found in Bio-faren, not only in proper proportions to restore weakened vitality but in such form as the system can assimilate them.

A treatment of lecithin and iron peptone as combined in Bio-faren increases the appetite, aids nutrition and invigorates the patient.

And Bio-faren in its pellet form is easy and palatable to take—no liquid unless you are entirely satisfied.

There is no use waiting for health today than tomorrow. Go to your physician today—right now—he will advise you. Then start taking it at once as he advises or as directions on the package call for. The guarantee protects your money. A interesting booklet may be had for asking.
