from shale can be made a paying proposition.

"The indications are," said Dr. Logan, "that the by-products of the process will pay for the expenses of distilling oil."

Sufficient carbon can be obtained from the shale, he says, to provide the fuel for distilling the oil. Other economies in the production of oil from this source will probably be developed in case the new industry is undertaken on an extensive scale in this state.

The experiments of the eastern automobile company will be watched with interest by other companies which are contemplating establishing extraction factories in Indiana. The size of the Hoosier shale fields make it likely that the industry will assume vast proportions, in the opinion of Dr. Logan.

#### Yale-Princeton Game.

Princeton, N. J., Nov. 13.—(Special to Daily Democrat)—Princeton was thronged today with legions of Princeton alumni, Yale followers and football fans gathering for the 43rd annual gridiron battle between Yale and Princeton.

The Tigers were confident that Mike Callahan's squad was going to do something that Princeton hasn't done in twenty years—beat Yale two years in succession and they were offering odds of 3 to 2 on the jungle cats.

The center of attraction every place she appeared was Mrs. Mary Callahan, mother of the two big captains of the opposing elevens—Captain Mike of Princeton.

Last year she watched the battle of her two big boys from the Yale side of the field. This year she will witness the struggle from the Princeton stands. But she will be strictly neutral, she said.

Princeton will start with the same team that tied Harvard last week. The back field will consist of the brilliant Don Lourie, the fleet Hank Garrity, Gilroy and the strong lined punter, Joe Scheerer.

Yale, still suffering from the injuries that have besieged the Blue all year, was unable to give the make-up of the eleven in advance.

A crowd of close to 50,000 seemed sure as all the seats in the stadium and the reserved stands have been sold.

Leonard Wins.

Camden, N. J., Nov. 13.—(Special to

Daily Democrat)—Benny Leonard, lightweight champion, scored an easy victory over Willie Loughlin, Allentown welter weight in a ten-round bout here last night.

#### Indiana-Notre Dame.

Indianapolis, Nov. 13.—Indiana university and Notre Dame were to fight on the gridiron here this afternoon for the football championship of Indiana. Frosty weather promised to add plenty of pep to the battle.

Besides taking the state championship, the winning team will be rated high among the better teams of the country. Notre Dame defeated the army and Indiana stands high up in the big ten conference.

George Gipp, the speedy half back for the Irish, who won a place in the foot ball hall of fame by his running, forward passing and kicking, will furnish the individual attraction today. He has been mentioned for the all-American eleven.
