ONE WOMAN'S EXPERIENCE

Of Interest to Expectant Mothers

Goshen, Ind.—"I took Lydia E. Pinkham's Vegetable Compound with good results after I had suffered for some time with female trouble. Some years ago I had twin boys and took your Vegetable Compound before they came; also before my four year old boy was born, and afterwards, and think it fine for such cases. I tell others what it did for me and you may publish my testimonial!"—Mrs. Geo. A. Poots, 711 S. 9th St., Goshen, Ind.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong and this good old-fashioned root and herb remedy contains no narcotics or harmful drugs.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits.

**Strive To Have Healthy Skin**

Next time you are in a gathering of women note the different conditions apparent in complexion. You will see some filled with blackheads, some dry and rough, some smooth and greasy, some smeared with rouge, some streaked with heavy metallic powders and once in a while you will see one that is a demonstration of intelligence from every point of view. The color is rosy, the skin is clear and smooth, the pores are small and open, the powder does not show on the firm vigorous skin. Every woman can have a good complexion if she will only use a little discretion. If you would acquire real beauty, the beauty of perfect health, you must replenish your worn-out nerves with lecithin, Nature's own nerve restorer, and put into your blood the invigorating iron which Nature intended it to have for health. In most of the modern foods these and other vitalizing elements have been largely eliminated. Yet to be healthy and beautiful the system must have them. They are found in Bio-fen, not only in proper proportions to restore weakened vitality but in such form as the system can best assimilate them. A treatment of lecithin and iron peptonate as combined in Bio-fen increases the appetite, aids nutrition and invigorates the patient. And Bio-fen in its pellet form is easy and palatable to take—no liquid

Iron discoloration of the teeth, no unpleasant taste.

There is no secret or mystery about Bio-fen. Doctors prescribe it regularly because they know exactly what it contains as well as what it will do and they know they could not formulate a better up-building tonic.

The action of Bio-fen on the system is so beneficial, we are so sure of its giving you positive health and vigor, providing of course, there is no serious, chronic ailment such as cancer, tuberculosis, etc., that we only sell it on the condition that you agree to return the empty package and accept a refund of your money unless you are entirely satisfied.

There is no use waiting for health and beauty. It is better to do things today than tomorrow. Go to your physician today—right now—he will advise Bio-fen. Then start taking it at once as he advises or as directions on the package call for. This guarantee protects your money. Interesting booklet may be had for the asking.

Large package \$1.00 at all leading druggists or direct if your druggist can not supply you. The Sentaler Remedies Co., Inc., Cincinnati, Ohio.

TAKE IT IN TIME

Just as Scores of Decatur People Have.

Waiting doesn't pay. If you neglect kidney backache, urinary troubles often follow. Doan's Kidney Pills are for kidney backache, and for other kidney ills. Ask your neighbor! Decatur citizens endorse them.

Mrs. W. F. Rice, 704 N. Second St., Decatur, says: "My back was weak and sharp pains often went through it. I had a feeling of stiffness through my joints and I often had to wear large shoes my ankles swelled so badly. Often I was nearly frantic with headaches and pains through the back of my head. I had dizzy spells, too, and became nervous and run down. I got Doan's Kidney Pills from Smith, Yager & Falk's Drug Store and they gave me better health than I had for years."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rice had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
