### CASE IS MYSTERY

Wife of Hamon Believes He Shot Himself—Look for Other Woman

(United Press Service)  
Ardmore, Okla., Nov. 29.—(Special to Daily Democrat)—Counter-charges were hurled by opposing sides today in the inquiry here into the death of Jake L. Hamon, republican national committeeman and millionaire oil king. Hamon died Friday of a revolver wound received the previous Sunday. Authorities charged he was shot by Mrs. Clara Smith Hamon, his secretary and protegee. Hamon on his death bed said he had accidentally wounded himself.

Hamon's friends today claimed the alleged assailant had been secretly hidden by authorities in hopes of springing a surprise in the case against her. County Prosecutor Russell R. Brown denied this but announced a statutory charge and a charge of "assault with intent to kill" against Mrs. Clara Smith Hamon would stand unless her version of the incidents leading up to the shooting of Hamon changed the facts he claims to have.

The case was made more mysterious when a search of the local photographers' shops disclosed that all plates and pictures of the woman had been destroyed.

Mrs. Hamon, widow of the dead man, reiterated her belief today that her husband accidentally shot himself.

Funeral services of an impressive nature were to be held for Hamon today.

Mrs. Alden Kennedy of Huntington was here last evening visiting her husband, who is the Erie agent.

Howard Cox and Jimmie Tanner of Huntington visited friends here Sunday evening.

## ARE AGAINST IT

Middle West Voices Strong Sentiment Against the "Blue Sunday" Law

SAY IT'S FOOLISH

It Would Prevent Trains From Running—Doubtful If You Could Smile

(United Press Service)  
Chicago, Nov. 29.—(Special to Daily Democrat)—Strong opposition to Sunday blue laws, advocated by eastern reform organizations was voiced in the middle west today. As yet no propaganda favoring Sunday blue laws has appeared in the west.

Jane Addams, famous social welfare leader; Seymour Stedman, socialist vice presidential candidate at the recent elections; Mrs. A. H. Mather, executive secretary of the Anti-Cigarette League and others expressed views hostile to enactment of laws which would do away with sports and amusement on Sunday.

"America is too mixed to go into puritanical laws," said Miss Addams. "It has a population of many peoples with different ideas and desires."

The eastern reformers, according to Stedman, ought to go to the limit and get a law which would make it compulsory for people to go to church.

"That's what they're aiming at, anyhow," he said. "And they should punish offenders by putting them in stocks like they did in the olden days."

Would Close Everything.  
New York, Nov. 29.—(Special to Daily Democrat)—Abolition of interstate railway traffic on Sunday would be brought about if legislation urged by the Lord's Day Alliance were enacted, according to information today.

Reformers who are seeking strict Sabbath laws were said to be advocating introduction of a bill in congress which would make it illegal to operate any train in interstate commerce of any kind on Sunday; close every government agency, including postoffices on Sunday, abolish Sunday newspapers and provide a fine of \$500, to \$10,000 and six months imprisonment for violation of any of these mandates.

Miss Ireta Erwin returned yesterday afternoon to her school work at Valparaiso. Miss Doris Erwin left today for Chicago to resume her work in the Presbyterian training school, and Mrs. Merrill Dull and daughter, of Bloomfield, will return to their home tomorrow after a two weeks' visit at the D. B. Erwin home and at Willshire, Ohio. Mr. Dull arrived last night to accompany them home.

Elmer Darwechter, injured here fair week, when his motorcycle collided with an automobile, and who has been confined at the Hope-Methodist hospital, Fort Wayne, is improving. Darwechter was also injured at Chateau-Thierry when he was shot in the foot.

CRITICIZES LAXITY  
\*\*\*\*\*

Indianapolis, Ind., Nov. 29.—(Special to Daily Democrat)—Vigorously arraiging the state courts for laxity in dealing with prisoners, the board of trustees of the state penal farm at Greencastle, today submitted their annual report to Governor Goodrich.

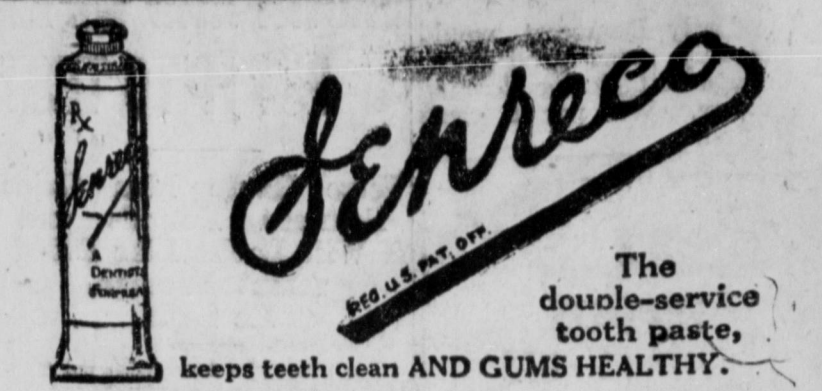

"It taxes credulity to believe that the law-breakers having received suspended sentences for violations case their law-breaking," the report said.

"If the courts would show more severity in dealing with illicit traffickers of forbidden beverages, the number of men sent to the farm would be greatly increased. Usually they are given suspended sentences pending good behavior."

**Senreco**  
The double-service tooth paste, keeps teeth clean AND GUMS HEALTHY.

Keeping the gums healthy and the mouth sweet is very important to health; more teeth are lost through the loosening of the tissue that holds the teeth in place than from decay.

Dental science to-day demands that a tooth paste must keep the gums healthy as well as clean the teeth.

Senreco was formulated to meet this requirement. Hundreds of dentists are prescribing and using Senreco because they have found that it does measure up to that standard.

**SENRECO IS A WONDERFUL CLEANSER.**  
In addition to its remedial properties Senreco is a wonderful cleanser; acts directly on the mucin film, the basis of tartar; leaves the mouth cool and clean-feeling. As some one has expressed it—Senreco gives one a new idea on mouth cleanliness.

Get a tube to-day at your druggists or toilet counter—enjoy the healthy, cleanly feeling its use gives your mouth and gums. Notice how brilliantly white Senreco makes your teeth. It performs this two-fold service for you and yet costs no more than the ordinary, old-fashioned tooth paste that simply cleans the teeth and leaves a pleasant taste—
