## SPORT NEWS

### Opening Game a Thriller.

The Decatur high school boys and girls basketball teams played their first game of the season on the home floor last evening which resulted in a double victory, the girls defeating the Auburn girls by a score of 24 to 3, and the local boys defeated the Auburn boys by a score of 16 to 13.

The gym was packed to standing room and the local fans were given a real treat. Much enthusiasm was shown, the high school band being on the scene, together with the yells of the high school students, which kept the hall in a continuous noise.

The program was opened at 6:45 with the first preliminary between the St. Joseph's school team and the Monmouth team, which resulted in an easy victory for the St. Joseph boys, they winning by a score of 28 to 8.

The next game was played between the local high school girls and the Auburn high school girls, the locals doing things up in fine style, and came through victorious by a score of 24 to 3. The locals appeared on the floor with practically the same outfit as last year, and continued their old tricks—piling up a score—especially so against the visitors, as the Auburn girls were the only team who defeated them last year.

The boys' game was called about 8:30 o'clock, and as the locals were greatly outwitted, things looked pretty bad for them. The Auburn outfit started the scoring with a shot from center after several minutes of play and repeated with another long shot, while the locals registered a foul goal. The Auburn team continued to register long shots, the locals securing two field goals, the first half ending with the score 9 to 6 in favor of the visitors.

The locals came back somewhat strengthened in the second half, and after several minutes of playing managed to register several baskets in quick succession, giving them a lead of a small margin over the visitors. Both sides continued to battle back and forth, the locals registering several more points, while Auburn got one field basket and two foul goals during this period, the final score resulting 16 to 13 in favor of the locals.

The line-up and summary is as follows:

D. H. S. Girls.	Auburn H. S. Girls.
M. Butler-Christen F.....	Sheets
Worthmann F.....	Lad
L. Butler-Baltzell C.....	Lanning
Kocher-Swearer C.....	Zimmerman
Moran G.....	Schlink
Peterson G.....	Aschleman
Field goals—M. Butler 8; Worthman 2; Sheets 1. Foul goals—Decatur 2; Auburn 1.	
D. H. S. Boys.	Auburn Boys.
Meyer F.....	Brown
Teepie-Beel F.....	Watson
Linn C.....	Franz
Baltzell G.....	Broward
Peterson G.....	Collette
Field goals—Meyer 3; Linn 3; Brown 2; Franz 2; Brownard 1. Foul goals—Decatur 4; Auburn 3.	

### Another Victory for Monroe.

The Monroe high school boys' and girls' basketball teams invaded the Monroeville high school territory last evening and returned home victorious, the Monroe boys winning by a score of 33 to 11, while the Monroe girls won by a score of 8 to 6. The girls' game was "nip and tuck" throughout and proved to be a real battle. The Monroe boys opened up early in the game, obtaining a lead over their opponents which they held throughout the entire game.

### Changed Their Mind.

London, Dec. 11.—British ring followers changed two big ideas today. They decided that Joe Beckett, their former heavyweight idol, is a frost and they began to think that Georges Carpentier is not a superman worth their offers of six to four that he would whip Dempsey in their battle next year.

They changed their minds last night in Albert Hall when, in the second

round of a bout, scheduled to go 20, Beckett lay on the floor in a trance and Frank Moran, ranked in the second division of American pugilists, stood over him with a victorious smile.

## FOR THE FARMERS

### Items of Interest to the Farmers of Adams County.

(By the County Agent)

**COUNTY AGENT** aolhtaoian tn t About seventy-five people attended the "More Live Stock" meeting at the Buckmaster school in Jefferson township Friday night. After the lantern slides were shown a short talk was made by Mr. D. J. Schwartz in the interests of the farmers' association. This was well received, as evidenced by the fact that men asked Mr. Schwartz for membership cards after the meeting and expressed a desire that a permanent and active organization be effected in their township in the near future.

**From Here and There in Indiana.** Eight boys finished the one acre corn growing contest in Monroe county with an average yield of 75.6 bushels to the acre. Paul McElhinney and Ray Wampler produced 92.6 and 91.3 bushels respectively.

Twenty-four flocks are still in the egg laying contest in Steuben county, and they averaged 6.7 eggs per hen for October. A flock of twenty-eight Mrs. which are all that are left after systematically culling a flock of seventy for the last three months, produced the exceedingly high average of 29.2 eggs per bird during October.

Two townships in Warrick county have formed township game reserves, comprising about 30,000 acres.

Six herds of pure-bred dairy cattle in Warrick county are being tested for tuberculosis, due to the work of County Agent H. R. Holcomb, who interested the owners in obtaining accredited herds. Two reactors, or animals afflicted with the disease, were found in one herd. The owner was loath to believe it, but when he and the county agent accompanied them to the packing plant and saw the results, he endorsed the testing idea.

Makers' plans now to attend the farmers' annual short course at Purdue University January 10 to 14, there will be something worthwhile for every man and woman in the country, regardless of the line in which you may be interested.

Three tractor short courses of two weeks each will be given at Purdue university, starting January 31 and ending March 2. The courses will come immediately after each other.

### Cost of Living Up to Congress

(Continued from page one)  
This means the American people must pay from \$8,000,000,000 to \$15,000,000,000 in increased prices if indirect taxes are retained, it is estimated.

One form of direct tax favored by some government officials as a means of reducing prices is the general tax on all sales proposed by some republican leaders.

### SAYS IT FIRST AND SAYS IT LAST

Carrie G. Harrel, 219 Nicholson St., Norfolk, Va., writes: "I'll tell anybody that Foley's Honey and Tar is all right. It did me all the good. I said it first and I'll say it last." Thousands of bottles of this reliable remedy were bought last week by careful mothers so as to be prepared to check coughs, colds and croup at the beginning. It acts almost instantly, cuts phlegm, soothes raw, irritated membranes, stops tickling in throat.—Sold everywhere.

### Harvey's Advice

(Continued from page one)

bends forward talking earnestly.

There is no one around, the desk is littered like that of a careless editor there are no flowers, attachments, do attendants, big wall mirrors or other trimmings, supposed to be with meetings of such import. Outside in the front office a couple of clerks are sorting mail and the click of a typewriter is audible. In the barren yard, where thousands gathered during the campaign, these secret service men are leaning idly against the deserted buck eye tree. The quiet is interrupted by a noise in the back yard. But it is only Mrs. Harding trying to break into the side door of her husband's office to find out what he wants for dinner.
