# BIG JANUARY CLEARANCE SALE

## Special Big Reductions In All Departments

The Old Time War Prices have gone forever, we hope. For some time prices have been changing and now we have decided to make still greater cuts in all lines; in many cases less than replacement value which is far below in many cases of the cost of the merchandise. We offer many items we have not space to mention the prices.

It will be your gain to purchase at this time, as in some lines prices may be a trifle higher later on. We shall accept large losses in mark-downs to start the new year under new conditions.

No matter what you need or desire now is the best time to buy.
