DECATUR ATTORNEY AT SUNDAY "V" SERVICES

"Juggling the Ledger" was the subject of a talk by Attorney C. Lutz, of Decatur, at the Sunday afternoon meeting at the Y. M. C. A. yesterday afternoon. The speaker pointed out in his address that just as many men get into trouble by literally juggling the figures of their ledgers in business. There are many who come to grief by "juggling the figures" in life. There was a large crowd present for the meeting, including a number from out of the city. The visitors were asked to introduce themselves and give a short talk. E. L. Moller, of the Edison Lamp company, sang several solos. The meeting was led by J. C. Trifich, of the International Business college. At the meeting next Sunday afternoon, a member of the faculty of Hillsdale college will talk, and a week from Sunday former Senator Albert J. Beveridge will make an address at the Y. M. C. A.—Fort Wayne Journal-Gazette.

Saving or Slaving

Everyone knows what "slaving" means—working to the limit of one's strength without hope of relief.

Work was never intended to be slavery, and the reward of work should always be more than enough to buy necessities.

Not so many people know what "saving" means. Saving is putting by a certain sum of money regularly so as to build up a reserve and make slaving unnecessary.

Everybody should save money and make that money slave for him at interest.

We Pay Interest at 4% on Savings.
