ABOUT TOWN

The "Qui Rho" girls had a fudge party at the home of Mildred Liddy Monday evening. The evening was enjoyed by all present.

The Yeomen had their meeting Monday night and initiated four new members. Those taken into the lodge were Mr. and Mrs. Reuben Lord, Emma Uhrick, and Susie Baumgartner. The delegates chosen to represent the local lodge at the state convocation were John B. Stults and J. M. Breiner. The convention will be at Fort Wayne April 13.

The senior class of the Decatur high school had a class party Monday evening at the home of Miss Velma Ervin on Line street. It was in the form of a six o'clock dinner party. Games were played and refreshments served. Every one present had a fine time.

The Y. P. A. had its monthly business Monday evening in the form of a pot luck supper. Business was transacted, followed by some delicious refreshments. The evening was thoroughly enjoyed by all.

The public is cordially invited to attend the two-cent supper Saturday evening at the Evangelical church, given by the March section of the Ladies Aid society. A fine menu has been prepared.

Mrs. Aaron DeVinney who has been sick for the last two months, is able to sit up about an hour each day.

BOTTOM FALLS OUT

(United Press Service)
Chicago, Feb. 9.—(Special to Daily Democrat)—The bottom has fallen out of the egg market due to an early spring which has caused hens to start laying their "April crop" according to dealers here today. Since January 20th eggs have declined 26 cents a dozen and in the last two days they have fallen 11 cents. Eggs are now selling for 47 cents here. Markets in other cities have experienced similar declines.

\$1-A-WEEK CLUB

Postmaster Bosse is Made Local Director of Universal Organization

A MILLION MEMBERS

Is Aim of the Club, and Every Man, Woman and Child is Eligible

Postmaster J. W. Bosse of this city has just received his appointment as local director of Uncle Sam's New Dollar-A-Week club, the most universal organization in the United States. Every man, woman and child is eligible to membership. The aim is 1,000,000 members.

The purpose of the Dollar-A-Week club is the creation of \$52,000,000 of new capital this year. This is made possible by the new issues of treasury savings securities in denominations of \$1 and \$25. A million members, saving systematically, can create this new capital out of current earnings. It is to such savings that statesmen look to put the world on its feet again.

"Join the Dollar-A-Week club now," suggests Postmaster Bosse. It has members from Maine to California. Put your feeble dollars to work by buying \$1 treasury savings stamps and watch them grow strong, hustling for the \$25 treasury savings certificate.

"For your own good and the good of your government, Uncle Sam expects to create a million members of the Dollar-A-Week club and this office strives for the distinction of quickly reporting its proportionate number of members. These stamps are on sale together with the other government savings securities—25 cent thrift stamps, your old friend the \$5 savings stamp and the \$100 treasury savings certificate.

"Now don't just say that is a good idea and let it go at that but come in with your dollar today, with the determination to buy a stamp regularly.

"Twenty of the \$1 stamps and a few additional cents may be exchanged for the \$25 certificate, which yields 4 1/2 per cent interest. So you see that instead of paying dues to belong to the Dollar-A-Week club you are making money thereby, building up a reserve for future financial independence.

"The new Dollar-A-Week club is a big brother to the Twenty-Five-Cent Thrift club in the schools, through which the school children are striving to add several million dollars to the nation's new capital. Thrift meters have recently been installed in the schools to create a spirit of helpful rivalry between the boys and girls, designed respectively as "Uncle Sam's Team" and "Columbia's Team."

In the industries, or wherever there is an employer, the Dollar-A-Week club operates through the payroll deduction plan. The employer, with the sanction of the employee, puts a \$1 stamp in the pay envelope in place of a dollar bill. It is the safest savings plan in the world, for the \$1 stamp is backed by the same government that is behind the dollar bill.

"There is no restriction on the amount that may be saved through the Dollar-A-Week club. In some of the large industries where the plan already is well established many of the workers are saving enough for a \$25 certificate a month.

"The \$1 stamps are on sale at the postoffice. Each week the postmaster will post on the bulletin board the number of members of the Dollar-A-Week club in this community. This figure will represent the total sales of \$1 stamp, whether bought by individuals or employers.

"The delivery wagons which have crowded Second street at times during the day will now get their many orders for transportation over the city at the rear door, and all freight will also be delivered at the rear, doing away with all congestion at the front entrance, which will be a great convenience to the grocery as well as to the public.

Decatur people are invited to call and inspect the new store, whether

you buy or not, and Messrs. Fisher & Harris are to be congratulated upon their enterprise and push. Their business is bound to grow, and we believe their success is just beginning.

IT'S WORTH \$10 A BOTTLE, HE SAYS

Fort Wayne R. R. Man Says He Can Work Full Time In Any Kind of Weather Now

"I am drawing down full-time instead of half-time pay now, thanks to Tanlac," said Anthony Stazak, 433 Buchanan street, Fort Wayne, locomotive oiler at the Pennsylvania railroad roundhouse where he has been employed for the past sixteen years.

"I was taken down with sciatic rheumatism about two years ago and was laid up in bed for three months. After I was able to get out I had to hobble around and every time it rained I suffered so bad I wasn't able to leave home. I tried every medicine I ever heard of but nothing did me any good until I got Tanlac. That's certainly a wonderful medicine. It has helped me so much, if it cost ten dollars a bottle I wouldn't be without it.

"While I still have touches of rheumatism I am so much improved I work all kinds of weather and have got more life and energy that I've had for many a day. I'm on the night shift at the roundhouse but that doesn't bother me like it used to and in the morning when I get home I always do a little work around the house before turning in.

"When a man has tried a lot of medicines and got no good out of them and then finds one that does the work and makes him feel like a new man, of course, he's enthusiastic and that's just the reason I'm so strong for this Tanlac. It's simply a world-beater."

Tanlac is sold in Decatur at Smith, Yager & Falk's; in Berne at Stengel & Craig's; in Geneva at F. C. Deitsch's and in Monroe at O. O. Hocker's.

GOITRE IS REMOVED WITHOUT OPERATION

Indianapolis Woman Praises External Home Remedy

Note: It would be illegal to publish these statements if they were not true. The following article was copied from the Indianapolis Star: "Mrs. E. W. Harlan, 245 E. 10th St., Indianapolis, Ind., says: 'I have used almost one bottle of Sorbol Quadruple, and see such a change. I became so I could scarcely speak above a whisper, and my work was a dead drag. I had been having such wild headaches I was so nervous I could hardly bear my own children in the room. After using Sorbol three weeks, I feel so much better and can do all my own work. I am gaining my voice rapidly. Paper and pencil can't tell how I feel toward my remedy. I have a friend in the next square that feels just as I do. Her goitre is scarcely noticeable now. You are welcome to use my name any way you wish. I expect to do all I can for you in this city. I would like to reach all who suffer like I have for the past three years. It saved me from an operation. Then Sorbol Quadruple is reasonable. I will reach out to all I will be glad to answer all letters from people interested.'"

Sorbol Quadruple comes in small bottles containing enough for most cases. It will not stain or irritate. Does not interfere with your work. Leaves the parts in beautiful, normal condition. Requires ten minutes daily.

For further information at Holt-house Drug Co., drug stores everywhere or write Sorbol Quadruple Company, Mechanicsburg, Ohio.

SPORT NEWS

Bluffton 25; Fort Wayne 22.

The Bluffton high school basketball cagers showed their superiority over the Fort Wayne high school team, when they journeyed to the city of Fort Wayne last evening and defeated the Allen county boys by a score of 25 to 22. The game was close throughout, the Bluffton boys holding the lead from the start, the score being tied several times, and was neither, side's victory until the final whistle was sounded.

Geneva Defeats Berne.

The Geneva high school boys basketball team invaded the town of Berne last evening where they met and defeated the Berne high school cagers in a one-sided game by a score of 64 to 15. The Geneva boys came to the front early in the game, piling up a large score and were at no time in danger of being left behind. The Geneva outfit is showing considerable strength and will clash with the Decatur high school team in the first game of the county tournament, Friday evening of next week.

Two Games Friday.

The Monroeville high school boys' basketball team and the New Haven girls' team will visit this city Friday evening and will clash with the local boys and girls teams at the Athletic hall. Both games promise to be good ones, the Monroeville boys having defeated the locals in their city early in the season and are coming with the intention of repeating the trick. The locals claim not and are planning strong on breaking their losing streak by adding another victory to their list. The local girls are also planning on continuing their victorious march and undoubtedly will send the New Haven girls home defeated.

WOMEN MEN ADMIRE

How many perfectly well women do you know? Isn't it true that in order to keep up with the march of progress the endurance of woman is often strained to its utmost, and the tax upon her physical system is in many cases greater than she can stand. Headaches develop, and nervous irritability, backache, dragging down sensations, and other painful ailments peculiar to women. The reliable remedy when a woman gets into such a condition is Lydia E. Pinkham's Vegetable Compound, as for nearly half a century it has proved the natural restorative for these troubles.—Adv.

ROAD BUILDING HELD UP

Indianapolis, Feb. 9.—Road building in Indiana will be held up until the price of materials fall to a level satisfactory to the state highway commission, it was learned here today.

"The state highway commission will not let any contracts for roads until the price of materials come down," said G. R. Harr, assistant chief engineer of the highway commission. "The only roads that is now under construction on contracts awarded by the commission, is one in Warrick county, the contract for this having been let in 1919. Construction of a Lake county road, which was to have started last week was delayed because of bad weather."

"The commission opened bids last week, but no contracts were let, as the commission felt that in the near future, the prices would be lower and that to let the contracts now would put additional expense on the people."

"The only roads that are being built now were given under the old prices of materials and they will not be affected."

Other road work will not start until after March 1, Harr said. "And I rather doubt whether there will be much started then," he added.

THE WOMAN'S CLUB

The Monday evening's program of the Woman's club was in charge of the literature department and John Burroughs was the subject of the study. The program was in charge of Mesdames Helen Patterson and Mina Annen, and the Misses Ruth Parrish, Rose Christen and Elizabeth Peterson, and was up to the usual standard of the excellent programs provided for the members and their friends.

DIED AT BLUFFTON

(United Press Service)
Bluffton, Ind., Feb. 9.—(Special to Daily Democrat)—Mrs. Oliver T. Linn, aged forty-five years, residing near Vera Cruz, died Tuesday morning at the Wells county hospital following a short sickness of complications. The deceased is survived by the husband, five children and the mother, Mrs. John Hall. A brother, Samuel Hall of Adams county and a sister, Mrs. Frank

Pontius, of Geneva, also survive. Funeral services will be held Friday afternoon.
