WOULD NOT DO WITHOUT IT

You can stop a common cold if you act promptly at the first sign of sneezing and chilliness, hoarseness, tickling throat or coughing. Just take a dose of Foley's Honey and Tar Compound. It is effective and pleasant to take. Harry L. Neff, Price Hill, Cincinnati, Ohio, knows it is good for long-standing coughs and colds, too. He writes: "I had a very bad cough for almost two years. I have taken 3 bottles of Foley's Honey and Tar and am almost well. I simply would not do without it in the house. Sold everywhere."
