### Wife Helps Elect Hubby

"After having been in bed half the time for a year with severe pains in my right side over the appendix, stomach trouble and bloating, which the doctors seemed unable to reach with medicine, and advised operation as the only remedy, my nurse advised me to try Mayr's Wonderful Remedy, and its results have truly been wonderful as I am now entirely well and strong, and at the last election worked hard to elect my husband." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

## "IT CERTAINLY IS GRAND," SHE SAYS

Cannot Find Words to Express Gratitude to Tanlac, Says Mrs. Henry Wyman.

"Many of my friends know what I think of Tanlac for I have told them, but I am glad to make a statement for the benefit of anyone who may be suffering like I was," said Mrs. Henry Wyman, 325 Lincoln Way, East South Bend, Ind.

"Last January I had an attack of influenza and was in bed for a long time. When I finally got up I was so weak—as a baby. My stomach was out of order so that I could scarcely eat anything, nothing tasted good and it seemed that I just could not get my strength back. I was so weak I couldn't do my housework and just didn't seem to have a particle of energy."

"Then, too, I was suffering with rheumatism in my arms and, although I used medicine after medicine for this, I was seldom free of the pains. I was very nervous, could scarcely sleep and mornings I felt as tired as when I went to bed."

"One evening my husband read a Tanlac testimonial in the paper which so impressed him that he insisted that I give the medicine a trial. I got a bottle the next day and before I had taken all I had a fine appetite and my strength was rapidly coming back. I have taken four bottles now, my appetite agrees with me so well I have gained ten pounds in weight. The rheumatism is entirely gone, and I am so well and strong I can do my housework with perfect ease. Tanlac is grand, and I just can't find words to express the praise and gratitude I really feel in my heart for it."

Tanlac is sold in Decatur at Smith Yager & Falk's; in Berne at Stengel & Craig's; in Geneva at F. C. Deitch's and in Monroe at O. O. Hocker's.

#### CABINET MEETS AGAIN

(United Press Service)  
Washington, March 11.—(Special to Daily Democrat)—The labor situation in the packing industry and the appointment of the new shipping board were among the questions uppermost at today's cabinet meeting.

It was intimated that appointment of shipping board members might be sent to the senate tomorrow.

The situation in Panama also was discussed but so far there has been nothing announced regarding the attitude of President Harding and his advisors.

The appointment of an alien property custodian also was considered at the cabinet meeting.
