

DeVoss and Colter are the Nominees for Mayor

(Continued from page one)
Mr. DeVoss, democratic candidate for mayor, is well known. He is the

official court reporter, an attorney and for a number of years served efficiently as city clerk. He is splendidly qualified for the office to which he aspires. His opponent, C. H. Colter, has been connected with the Smith & Bell Lumber company for many years and

before that was with the First National bank. He is also known by every one here and is popular. The other candidates are all well known citizens, the candidates for councilmen being all business men of the city. The campaign will probably not warm up until October as the election will be held November 8th. The total vote cast for mayor by the democrats in yesterday's primary was 968 and 153 by the republicans.
