TWO HUNDRED UP TO DAY.
Sandy Hook, Ky., July 5.—(Special to Daily Democrat)—Sandy Hook became the "moonshiners mecca" today as Gaunt Hill Billies patiently plodded to town to be tried for practicing their old age custom of distilling.

The quaint grizzled men 200 of them will be tried in circuit court tomorrow charged with operating illicit stills considered the interruption only one of the little irritations of modern civilizations.

"If they start convicting us they will have to put most everybody in this county in jail" said one of the early arrivals among the accused. "Makin' likker around here is about as old as the hill."

Mrs. Hazel Hofstetter, daughter of Mr. and Mrs. C. Hofstetter of Winchester street, and Mr. Arthur Grim of Fort Wayne, were quietly married Saturday afternoon at 2:30 o'clock at the United Brethren parsonage by the Rev. C. J. Miner. The wedding will come as a surprise to the friends of the couple, although it has been expected for some time. The bride was very becomingly attired in a dark blue taffeta dress trimmed in cream lace medallions and with hat and slippers to match, while the groom wore a navy blue suit. Mr. Dallas E. Grim of Fort Wayne was the only attendant. The bride is a very charming and splendid young lady and is the eldest daughter of Mr. and Mrs. C. Hofstetter. She has been employed for some time at the Sether cigar factory. The groom is a licensed cream tester at the Clover Leaf creamery. After a short wedding trip they will be at home in this city to their many friends.

Burglars Raided
TWO HOUSES

(Continued from page one)
er. The Ellsworth's were in Decatur attending the ball game and upon returning home in the evening they noticed that someone had pried open the door and ransacked the house. After a search it was determined that the \$25 was the only thing missing and it is thought that a negro got this. Neighbors nearby saw a colored man around the house about this time and later saw him board the Clover Leaf East bound train. Sheriff Melchi was not notified of the robbery until about 7 o'clock in the evening and therefore it was almost impossible to give chase.

IRELAND TO DECIDE FATE.

London, July 5.—(Special to Daily Democrat)—Ireland will decide her own fate through the principle of self-determination.

Eamon de Valera, president of the "Irish republic" insisted upon that principle in his conference with Unionist leaders in Dublin yesterday.

The British government, it was stated authoritatively, is perfectly willing to adopt that resolution of the Irish situation—theoretically.

OPERATION FOR APPENDICITIS.

Drs. D. D. and C. S. Clark and J. M. Miller performed an operation this morning upon Bernard Miller, son of Mr. and Mrs. Mathias Miller. The young man was suffering from a severe attack of appendicitis and was taken to the Decatur hospital, where the operation was performed. He is getting along nicely.

See this picture before you answer. Something new and different. Better come tonight.
