Opportunity Offered to See World War as It Really Was.

"Flashes of Action", the uncensored war picture now being shown at the Mecca theatre, more than lives up to all of its advance stories. Never before has there been presented in Decatur real pictures of actual fighting in the world war. It is remarkable to think that it is possible to take such wonderful pictures when it seemed impossible for anyone to withstand a barrage of machine gun bullets from the enemy. From the scene showing the embarking of troops on the "Leviathan," the largest ship in the world, to the entry of the American troops in Germany, there is not a dull moment. The "stay at homes" were given the opportunity to see "Brest" and all its congestion. One of the scenes that attracted the most attention was the shelling of the 6th American field artillery by the Germans. As the enemy's fire increased in intensity the guns are rolled down hill by their crew and moved to new positions. Throughout all of this shells can be seen bursting.

The "Yanks" are shown advancing under the cover of a barrage and then taking some of the enemy's trenches. Numerous battles in the air are also contained in the picture. Some of America's most famous "aces" are shown at their best, including Captain Eddie Rickenbacker, Lieutenant Quentin Roosevelt and Lieutenant Luke. One of the scenes shows the bringing down of a German plant by anti-aircraft guns.

To enumerate the most interesting parts of the picture would be to tell every scene, for there is not a dull moment in the entire picture.

This offers real opportunity to the people of Decatur to see the war as it really was. Last chance to see the picture tonight.

John Joseph took a crowd of Decatur men to the street fair at Bluffton last evening.

"SCHOOL DAYS, SCHOOL DAYS"

Do you remember the old song about school days being golden rule days? It is wrong to send a coughing, sneezing, spitting child to school to spread disease germs among other little ones. Common colds are infectious. Protect your own and other little ones with Foley's Honey and Tar. This safe family remedy checks coughs and colds, loosens phlegm and mucous and coats raw, irritating membranes with a healing, soothing medicine. Sold everywhere.

Mrs. G. C. Steele of Fifth street was the victim of a clever surprise, planned and carried out by her husband last evening. Mrs. Steele had contended for some time that it would be impossible to surprise her, and just to prove she was mistaken in her belief, her husband invited her Sunday school class in the Baptist Sunday school to the home for the evening. The class includes both men and women, taught by Miss Jessie Winnes. The evening was spent in music, games and general sociability. Refreshments were served later in the evening, and this was also provided by Mr. Steele, and the good wife never suspected the call of her friends.

The Pleasant Mills Epworth League will give a three-cent supper in the church basement next Saturday. Everyone is invited.

Miss Grace Arnold was host to the members of the So-Cha-Rea club at her home on Third street last evening, twenty-two members being in attendance. A dinner was served at 6 o'clock, after which five hundred was played. Miss Ruth Gay winning first prize and Miss Esther Miller, second. Miss Mary Laughlin assisted Miss Arnold in the entertainment. Mrs. Ralph Roop of Mercer avenue will entertain the club members next Wednesday.
