"Bones" Knows the Rules.
"Bones" France, of this city, but now located at Gary, officiated as umpire in conjunction with F. Binder, of Columbia City, yesterday afternoon in the Columbia City-Lincoln Life game, and demonstrated that he had not forgotten what he learned as a player of a play which came up in the fourth inning; Donovan, Columbia City second-sacker, was on first, which he reached by virtue of taking one of Diederich's slants midribs. J. Henry was at bat and fouled one, and as soon as it was returned to him, Diederich whipped it over to first, and caught Donovan by a foot. Binder calling him out. France, however, strode out to the pitchers' box from behind the plate, and after a few words with Diederich, ordered Donovan back to the bag. It later developed that Diederich had not taken the

box after receiving the ball following the foul and could not therefore legally make a play. All of which is evidence of France's sharp eye and knowledge of the rules.

Ft. Recovery vs. Geneva Boosters.

Sunday gives promise to be another big day in Geneva when the Fort Recovery Elks base ball team cross bats with the Boosters. The visitors are hailed as one of the really strong teams of eastern Ohio and the record the Boosters have made this season is no small job for any team to duplicate. They expect to send the Buckeye boys home carrying the short end of the score. Van Schuyck or Braden with Briggs will form the battery for the Boosters.

Belmar Loses Race.

Belmar, the fast paces that trained early this season at Belmont park and who established a new record for a three-year-old at Columbus several days ago, was distanced in yesterday's race at Columbus by Peter Hanley, the time of the mile being 2:08¼ with a purse of \$1,923.

ports of the committee's findings.

"You can say for me that as far as I am concerned, I mean every word of my telegram to the senate and will go the limit in carrying out what I said," Ford concluded.

In his telegram to Senator Dillingham, Ford declared that it was up to the senate to "clean its own skirts" in the Ford-Newberry election contest and predicted that if they did not "the issue would be carried to the people."

The deficit in the teacher's retirement fund was announced as \$168,891. This is the amount necessary to make up policy payments to teachers in excess of the income for the fund provided under the old law, which became ineffective August 1.
