

John Baumgartner was a Fort Wayne business visitor last evening. Mr. and Mrs. Herman Buuck of Friedheim were shoppers here today.

"Hello, Nancy an' Jane! We're havin' Kellogg's at our house 'n' mother keeps me goin' for more—but I don't care 'cause I like Kellogg's!"

It's the flavor and crispness that make Kellogg's Corn Flakes so joyously delicious

You'll wish the bowl at your table-seat was about twice as big when it's "Kellogg's for the feast!" Great big, sunny-brown corn flakes—all oven-crisp and crunchy—crowding each other to spread you real and true joy! You never tasted such flavor!

Pour in some fresh, cold milk—or cream—and—start in! Well, it'll seem you can't get going speedy enough to suit your appetite! Was there ever such health-making food!

Tomorrow, serve Kellogg's! What a round of appetite-applause you'll win! Great to start the day right!

Do more than ask your grocer for "corn flakes." Insist upon KELLOGG'S Corn Flakes—they're so delicious!

DISARMAMENT IS IMPOSSIBLE NOW

(Continued from page one)

bring a message of hopelessness" to those seeking universal disarmament and asked him to explain what he meant by "reasonable limitation."

"By reasonable limitation," the president replied, "I mean something practicable that there is a chance to accomplish, rather than an ideal that there would be no chance to realize. It is necessary to deal with actualities: to do the best possible universal disarmament would be beyond hope of realization; even its desirability at this time might well be questioned. Thousands of years of history recording the wars and controversies of mankind, suggest that human nature would require revolutionary reorganization to make universal disarmament possible. A consideration of the present state of the world must, I think, enforce the conclusion that this is not a hopeful time to undertake that kind of revolution."

"On the other hand, a world with the horrors of recent experiences seared into its mind, and staggering under the load of debt and armaments, has generally justified our hope for a favorable attitude toward the practical effort, the sincere beginning, that we are attempting. The fine spirit in which leading nations have received the invitation to meet and consider these things, is altogether encouraging. To undertake the impossible and fail, might leave our last state worse than our first. The attitude of the nations warrants confidence that we will not fail, but rather that substantial results will be accomplished, calculated to lessen the danger of armed conflict. I feel that in such an effort we are entitled to the support of all people who would be glad—as I can assure you I would—to see still more accomplished if possible."

Harding also took occasion today to deplore the use of newspaper propaganda in a letter to Governor Farrington, of Hawaii, to be read at the Press Congress of the world, now in session at Honolulu.

CUT DEATH RATE

Indianapolis, Oct. 12.—Anti-tuberculosis activities throughout the nation have cut down the death rate from the "white plague" from 202.6 in each 100,000 of the population in 1904 the year in which anti-tuberculosis work started—to 125.6 per 100,000 in 1919, according to a statement today from the headquarters here of the Indiana Tuberculosis association.

The shrinkage of the death rate in Indiana has been more pronounced than in the nation. The death rate in 1919 in Indiana was 119 while in 1920 it was but 107 in each 100,000.

The Young Peoples Alliance of the Evangelical church enjoyed a hard time party in connection with their regular monthly business meeting at the home of Mr. and Mrs. Robert Garard last evening. About twenty-seven were present. To make the event seem more like "hard times" the hostess served baked beans and corn bread for lunch.

Mrs. Margaret Kurber was very happily surprised at the home of her brother, Mike Miller, last night at a beautiful Halloween party, it being her sixty-ninth birthday anniversary. The party was planned by Miss Gladys Becker and was carried out to perfection. The home was beautifully decorated to suit the occasion. The evening was spent in playing games and in two contests prizes were won by Mrs. Chas. J. Miller and Miss Marcella Keller. Music on the piano and victrola was very much enjoyed by all. Mrs. Kurber received many beautiful and useful gifts as tokens of remembrance. Dainty refreshments were served, after which the guests returned to their homes wishing Mrs. Kurber many more happy birthdays. The guests were, Mr. and Mrs. John A. Miller and children, Mr. and Mrs. Matthias Miller, Mr. and Mrs. Lee Meyer, Mr. and Mrs. Chas. J. Miller and children, Mr. and Mrs. Leo Ulman and children, Mr. and Mrs. Peter L. Miller and babe, Mr. and Mrs. Patrick Miller, Mr. and Mrs. Andrew Miller, Mr. Bernard and Edward Miller, Misses Edna and Clara Miller, Marcella Keller, Frances Omior, Dorothy Miller, Mary Colchin, Margaret Bremerkamp, Rose Marie Smith, Mary Harris and Catherine Eiting.

A belting and birthday surprise party combined was a very happy event at the home of Mr. and Mrs. Marcellus Davison near Pleasant Mills, last Saturday evening, the victims being Mr. and Mrs. Leo Miller of Fort Wayne, it being both their birthdays. They had come to the home of the latter's parents to spend Sunday, but their friends, and former schoolmates had something else in store for them. To say they were surprised would be expressing it very mildly, for the surprise was complete to Mr. and Mrs. Davison also. When everything about the home seemed peaceful and quiet all at once from the darkness came the loud report from shooting of guns and ringing of bells, and friends and neighbors came rushing in with well filled baskets. The evening was spent in games and music and a general social good time. All departed at a late hour, wishing Mr. and Mrs. Miller many returns of the day. Those present were Mr. and Mrs. Nelson Louder and children, Frank, Mildred and LeeAnna; Mr. and Mrs. Clyde Wolf, Lily, Ruby, Grover, and Esther; Mr. and Mrs. Marcellus Davison, Cecil and Albert; Mr. and Mrs. Azle Tucker and daughter, Fosta; Mr. and Mrs. Leo Miller, Mr. and Mrs. Nolen Riley and daughter, Maxene; Mr. and Mrs. J. Mrs. Rose M. Brown Gained 20 Pounds In Four Weeks Time

Declares It's Simply Astonishing To See The Wonderful Benefits She Has Derived From Tanlac—Says Terrible Headaches Have Disappeared.

"It sounds unreasonable, but I have actually gained 20 pounds in less than a month's time by taking Tanlac, and the wonderful benefit I have derived from the use of this medicine is simply astonishing," said Mrs. Rose M. Brown, 111 Third street, Manchester, N. H.

"Why, I am so happy to be relieved of my troubles I can really never praise this medicine enough. Up to the time I began taking Tanlac, I suffered from something over two years with a very bad form of stomach trouble."

"My appetite was so poor I could scarcely eat a thing. My stomach would be so badly bloated with gas sometimes I was almost afraid to go to bed for fear I would actually smother. I felt tired and worn out most of the time and became terribly discouraged over my condition. I often had such violent headaches I was unable to be out of bed for two or three days at a stretch."

"Four bottles of Tanlac completely restored my health and anyone can see at a glance the wonderful change that has taken place in my condition. I have a splendid appetite now and the stomach trouble has entirely disappeared. I can eat just anything I want without ever feeling a sign of indigestion. The best of all, I am never bothered any more with headaches and this was the greatest relief of all. I want to tell everybody what this medicine has done for me."

MRS. ROSE M. BROWN.

Mr. H. H. Stewart, of Tippecanoe county arrived in the county yesterday and accompanied by County Agent Busche, began checking up on some of the 5-acre plots entered in the county 5-acre corn contest. Three fields were checked up during the day, they being those of Fred Blum, of near Berne; Carl E. Amstutz and David Zehr, both being in Jefferson township.

The work of checking up the fields was begun one day ahead of time but those that were judged the first day were to have been inspected Friday afternoon, so that the regular schedule will be carried out Wednesday, Thursday and Friday forenoon according to the schedule published recently.

Arrangements have been made to have an inspector stay in the county during the month of November for the purpose of testing all those herds whose owners make application for the test.

GO TO WASHINGTON

Indianapolis, Oct. 12.—Three Indiana men went to Washington yesterday to attend a conference in the question of whether Indiana shall be among the states covered by a corn quarantine due to the activities of a worm known as the European corn borer. The Indiana representatives were A. E. Reynolds, secretary of the legislative committee of the Grain Dealers National association; C. B. Riley, secretary of the Indiana Grain Dealers association; and G. L. Christie of Purdue university.

It is held that Indiana is not infected with the pest and therefore should not be quarantined.
