When Omro Burns arrived at the home of his father and mother-in-law, Mr. and Mrs. Dick Earhart, last evening at the response to a telephone call that they had found his dog, which had recently been lost, he found—not the dog—but instead to his surprise, seven couples ready to jump at him. Mr. and Mrs. Earhart and Mrs. Burns had planned the surprise to help him celebrate his twenty-first birthday anniversary. Many amusing games were played and when these began to get a bit tiresome the hostess proved herself by serving a delicious lunch. Those present were Mr. and Mrs. Hartman Deel, of Fort Wayne; Mr. and Mrs. Brice Butler, Mr. and Mrs. Kenneth Eady, Mr. and Mrs. Ivan Smith, Mr. and Mrs. Lawrence Walters, Mr. and Mrs. Felix Graber, Mr. and Mrs. Bob Garard and Mr. and Mrs. Dick Earhart and family, besides Mr. and Mrs. Burns. Omro received many beautiful and useful birthday presents.

MANY HAVE TUBERCULOSIS

Indianapolis, Ind., Nov. 10. — More than 2,000,000 in America have tuberculosis in some form, according to estimates reached through such investigations as those conducted at Framingham, Mass., and elsewhere and made public here today through the Indiana Tuberculosis association. The total deaths from tuberculosis in Indiana, all forms, during the past year were 3,151 says the association, and "the framingham demonstration discovered that there were ten active cases of tuberculosis to every death. This means that there are in Indiana at least 30,000 active cases of tuberculosis needing care and more than 1,000,000 such cases in the country at large."

The association's statement continues: "These figures agree with the estimate of scientists that 1 per cent. of the population has active tuberculosis. An additional 1 per cent. have tuberculosis in an inactive stage. This 2,000,000 people in the nation and approximately 55,000 to 60,000 in Indiana have tuberculosis in some form, it is reasonable to suppose."

"The Tuberculosis Christmas seal through a growing period of years, has worked incessantly to cut down the awful ravages of this disease. It has cut down the total of the Indiana deaths at least 1,000 annually within the last fifteen years. From the funds derived from the sale of these seals throughout Indiana the work of their anti-tuberculosis associations in each county, state and the nation is carried on. The goal of Indiana this year is the sale of 20,000,000 seals."

"M. P." ON THE JOB

Washington, Nov. 10.—The dreaded "M. P." will shine in all his glory again during the Washington conference.

While the American soldier is an excellent fighting man, he is a bit careless about his dress and is prone to overlook an unfastened button and little details. Col. C. S. Babcock, chief of staff of the army district of Washington, is determined that the privates and officers shall look their best in the presence of the foreign plenipotentiaries.

So he is assembling a young army of "M. P.'s", who will patrol the city in search of offenders. The "M. P." will be empowered to correct and, if necessary, arrest anyone from gobs to buck privates and generals.

GOOD SUBSCRIPTION

Rev. J. A. Winters, superintendent of the Reformed Orphans' home at Fort Wayne, was here last Sunday in the interest of the new "Baby Cottage," planned as an addition to the home. Decatur members of the Reformed church gave \$300 toward the erection of the cottage. At the present time the caring for babies in the orphanage has been a problem, and the board of trustees will erect a special cottage and properly equip it for the care of infants. The churches in the synod are responding nicely to the call, and the babies will henceforth have an excellent home.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Decatur: No resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony. Ask your neighbor.

W. H. Pennington, carpenter, 218 S. First St., Decatur, says: "Some time ago my back was hurting continually I do not know what brought on the complaint but it seemed to get worse every day. As another member of the family had used Doan's Kidney Pills with good results I decided to try them. I got a box at Halthouse's Drug Co. In a box at Halthouse's Drug Co. In a short time the backache disappeared." (Statement given Dec. 6, 1908.) On Oct. 23, 1920, Mr. Pennington said: "My faith in Doan's is as strong as ever. Whenever my kidneys get out of fix a short use of Doan's is sure to fix them up." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
