Members of the Catholic Ladies of Columbia are planning an entertainment for one of their number, Miss Mayme Harting, who will be married next Tuesday morning at the St. Mary's Catholic church. The entertainment will be Friday evening.

The ladies of the Calvary church have been obliged to postpone their social until one week from Thursday because of illness.

The Ever-Ready Sunday school class will meet tomorrow evening at the home of Mrs. Elpha Christy on the corner of 3rd and Madison streets. Assistant hostesses will be Mesdames Foley, Dickerson, Claude Gay, Erwin Elzey and Brushwiller. Every member is invited and urged to attend as the Christmas exchange will be made at this meeting.

Mrs. Roy Mumma will be hostess to the members of the D. Y. B. class of the United Brethren church instead of Mrs. George Mumma, as announced yesterday. She will be assisted in the entertainment, however, by Mesdames George Mumma and C. J. Miner. The meeting will be Friday afternoon at the Mumma home on Adams street.

Miss Mabel Iaque living southeast of Decatur entertained a few friends and neighbors at her home Sunday evening in honor of Eddis Johnson's return from Bloomington for a short visit. The home was decorated very prettily having been draped in red and green crepe paper. The dining room was also a delightful scene, the table having a beautifully decorated Christmas tree as the centerpiece and four candlesticks furnishing the light. Through the evening the guests were entertained by many games and music. Those who participated were: Misses Grace Butler, Ruth Martin, Rhoda Jones, Ruth Geisler and Mabel Iaque, Mr. Eddis Johnson, Homer Ellsworth, Oscar Yost, Wilbur and Everett Hawkins. After being served to a delicious two-course luncheon they departed expressing themselves as enjoying a well spent evening.

Mr. and Mrs. L. W. Tague of southeast of Decatur, entertained as their Sunday dinner guests Mr. and Mrs. Joseph Dellinger, daughter Viola, and sons Frank and Henry, Mr. and Mrs. Irvin Wilson and son Robert Jean, Misses Clara Spuller and Mamie Hoblet all of Willshire.

Mr. Ernest Gallmeier of Allen county invited his neighbors and relatives to help him celebrate his 70th birthday on New Year's day. At 6 o'clock a delightful dinner was served. Those present were: Mr. and Mrs. Henry Gallmeier, Mr. Fred Gallmeier, Sr., Mr. and Mrs. August Gallmeier and children, Albert and Fred, Mr. and Mrs. Lawrence Bultmeier and children, Melvin and Hilda, Mr. and Mrs. Herman Fuhrmann and children, Elda and Meta, Mrs. Christ Nieter, Mr. and Mrs. Henry Schroeder, Mr. William Rodenbeck, Jr., and Mr. Henry Wischmeyer. All departed at a late hour wishing Mr. Gallmeier many more happy birthdays.

It was fifteen years ago, on New Year's day that the Fort Wayne and Springfield interurban line, now the Fort Wayne-Decatur line ran the first car to Fort Wayne. On New Year's day an express car was operated between this city and Fort Wayne. W. H. Fiedlerman was then the president and general manager of the company.

IT'S A BUSY PLACE

(Continued from page one)

In athletics, the employees are taking a deep interest and they have a number of the best to be found in the city. In a basketball game last evening the General Electric team won from the Moose team in the industrial league, the score being 23 to 6.

In the bowling contests, the several teams of the plant are rolling each week, and the standing of the teams follows: Transmitters, Stators, the former team winning two and the latter one; Relays vs. Maintenance; Relays two and Maintenance, one; Collectors vs. Nite-Lights, Collectors, two and Nite-Lights, one; Finishers vs. Rotors, Finishers, two and Rotors one.

The members of the Geocode club will meet this evening at the plant, 5 o'clock being the hour set. Supper will be served and the girls expect to have an enjoyable time.

BIGGEST CHILDREN IN GOLDEN WEST

Washington, Jan. 4.—(Special to Daily Democrat).—California, sunny land of fruits and flowers, also produces the best children of any section of the union.

The children of the far western state six year of age and under are slightly taller and heavier than those of any other group at same age, it has been found by the Children's Bureau of the Department of Labor, which has just completed a compilation of the largest mass of data along this line ever gathered in the United States. A total of 172,000 records were tabulated.

The reason attributed by the Bureau is the favorable climate of California. The children of smallest stature, on the other hand, are found in the other corner of the country, in New York City. The presence there of so large a number of short-statured races such as the Italian and the Jewish is the cause, the Bureau believes.

As to city and country, the records show that children who grow up in the freedom of the rural districts are slightly taller and heavier on the average than their city bred cousins.

It was also shown by the investigation that negro children under four years of age are slightly lighter in weight and smaller of stature than white children of the same age, thought at five years of age practically no difference is noticeable. The deficiency at the early age, the Bureau believes, is due to poor nutrition and unfavorable social and economic conditions that cause a high mortality among colored infants and also to a possible racial difference in ratio of growth.

As to difference in male and female, it was found by the Bureau that boys under six years of age average from one-third to one-half an inch taller and weigh about a pound more than girls of the same age.

C. L. OF C. DEGREE TEAM.

Members of the Catholic Ladies of Columbia degree team are requested to meet at the K. of C. hall Sunday afternoon at 3:30 for practice. Please be present at that time.
