"I am not surprised that people praise Tanlac to the skies, for it deserves everything good that can be said about it," said Mrs. Lon Hatcher, 632 North Fifth street, Terre Haute, Ind.

I had suffered distress almost after every meal and didn't dare to eat any heavy food at all. I had headaches at times so bad that I felt my head was about to burst open and I was so nervous I got little rest either day or night. Every now and then I would just have to give up and go to bed and stay there for days at a time.

"I think it is simply marvelous the way Tanlac has restored me to health changed me from a weak and miserable woman to a well and happy one."
