## HEAD STUFFED BY CATARRH? USE A HEALING CREAM

If your nostrils are clogged, your throat distressed, or your head is stuffed by nasty catarrh or a cold, apply a little pure, antiseptic, germ destroying cream into your nostrils. It penetrates through every air passage, soothing inflamed, swollen membranes and you get instant relief. How good it feels. Your nostrils are open. Your head is clear. No more hawking, snuffling, dryness or struggling for breath. Get a small bottle of Ely's Cream Balm from any druggist. Colds and catarrh yield like magic. Don't stay stuffed up. Relief is sure.

## MARKETS-STOCKS

### Daily Report of Local and Foreign Markets.

Wall Street Markets  
New York, Jan. 6.—There was a continuation of pressure on Asphalt at the opening of the New York stock exchange today. While the first sale at 58 1/2 was up 1/4, the stock then was offered in big blocks down to 57 1/2.

The rest of the list was steady, with little change from Thursday's close. Steel common opened at 82 1/2 and Crucible at 66 1/2, both unchanged. Sugars were fractionally higher. Low priced rails were firm with New Haven up 1/4 at 12 1/2. Heavy selling of Asphalt gave the other oils a somewhat heavy appearance. Among the specialties, Davison Chemical was under pressure and made an early low close to 50.
