Fifty-four members were present. The election of officers took place, Della Carroll being elected president; Bertha Ashbacher, vice president; Mrs. Farr, secretary, and Anna Hencher, treasurer. It was also decided by the ladies to hold a tea towel shower in about two weeks.

Members of the Christian Ladies' Aid society will meet Friday afternoon with Mrs. H. L. Merry. Every member is urged to be present.

LIKES HIS NEW PLAN.

Indianapolis, Jan. 10.—(Special to Daily Democrat).—A state-wide combination of large printing concerns to stifle competition in bidding on county jobs is disintegrating under new specifications drawn by the state board of accounts, Jesse Eschbach, chief examiner of the board, said today.

This will save the people of the state \$150,000 a year in taxes, Eschbach said by putting "common sense" into the letting of contracts.

The combination existed by misunderstanding, Eschbach said and kept outside bids from entering certain districts of the state.

FRED BUNCH IS DEAD.

Muncie, Ind., Jan. 10.—(Special to Daily Democrat).—Dr. Fred L. Bunch, 35, brother of former Mayor Rollin H. Bunch and city health officer and president of the board of safety, until the close of the last administration in December died this morning of stomach trouble. Dr. Bunch was a major in the medical corps during the war, serving overseas.

INTERESTING ENTERTAINMENT.

A delightful program was given at the Masonic hall last evening by the Literary Department of the Woman's club. The program opened with an interesting account of Folk Lore and Mythology, by Miss Martha Tyner followed by three very pretty folk games and dances by the pupils of Misses Ruth Parrish and Florence Haney of the Riley school, under the direction of the former. Mrs. L. A. Holthouser then sang a beautiful song in connection with the program, followed by Mrs. Anna Vance's reading of an entertaining story concerning Budah. Then after a description of the ancient Vestal Virgins by Miss Tyner, a number of high school girls representing the Vestal Virgins gave a most artistic drill. This concluded the evening's splendid program.

SULPHUR SOOTHES UGLY, ITCHING SKIN

THE FIRST APPLICATION MAKES SKIN COOL AND COMFORTABLE

If you are suffering from eczema or some other torturing, embarrassing skin trouble you may quickly be rid of it by using Menthosulphur, declares a noted skin specialist.
This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Menthosulphur is applied like any pleasant cold cream and is perfectly harmless. You can obtain a small jar from any good druggist.

FOLEY'S HAS NEVER FAILED

January is a bad month for influenza, la grippe and bronchial troubles. It is unwise to neglect the slightest cough or cold. Foley's Honey and Tar gives prompt relief, gets right at the trouble, covers raw inflamed surfaces with a healing coating, clears the air passages, eases stuffy breathing and permits sound, refreshing, health-building sleep. Mrs. P. A. Gibson, 1547 College Ave., Racine, Wis., writes: "Foley's has never failed in giving immediate relief and I am never without it."

LIMBERS UP YOUR SORE STIFF JOINTS

WEATHER exposure and hard work bring pains and aches in muscles and joints. Have a bottle of Sloan's Liniment handy and apply freely. *Penetrates without rubbing.* You will find at once a comforting sense of warmth which will be followed by a relief from the soreness and stiffness of aching joints.
Also relieves rheumatism, sciatica, neuralgia, sprains and strains.
For forty years pain's enemy. Ask your neighbor.
At all druggists—35c, 70c, \$1.40.

GIVE MEN A JOB

National Education Association Urges School Officials to Build

AND REPAIR SCHOOLS

That Army of Unemployed Might Be Kept Busy-- Bulletin Comes Here.

School officials in Adams county have received Bulletin No. 17, sent out by the National Education association with headquarters at Washington, which urge them to build new schools where needed, and repair and reequip others during the time of business depression, in the hope that thousands of men over the country may be kept at work in various lines necessary to produce materials for the construction work. The program is a part of the Harding-Hoover plan at the recent unemployment conference.

The bulletin says:
Hundreds of new school buildings are needed in every state in the union. Hundreds of thousands of school children in the Nation's leading cities are in school only half time for want of seating space. Other hundreds of thousands are seated in buildings whose light and sanitation is a menace to health. Millions are in buildings ill suited to the purposes and requirements of education as it is now conceived and organized.

Every city in the United States needs school buildings—and there are probably no exceptions—can by getting its building program under way give immediate relief to its unemployed. Especially in small towns and in the open country school building should be encouraged. The thousands of small building enterprises amount to an immense total. A school building for even a hundred pupils in the small town sets men to work. These men pay grocery bills and buy supplies and thus give work to other men in other places. Small buildings call for lumber, sand, stone and other materials, the supplying of which gives jobs to idle men. Many such buildings added to the larger building programs of the cities can be made to create a great tide of employment which must certainly mean better times for the nation and its people.

AT GREEN BRIER CHURCH.

O. I. Vance of this city was one of the speakers at a Sunday school convention of the Willshire township Sunday schools held at the Green Brier church on Sunday. He had a part in the afternoon program, and the two sessions were very interesting. Dale Cowan is the president of the township organization and Jerome Morrison, secretary. The following program was given:

Afternoon Session, 1:30
Song—Congregation.
Devotional—Rev. Mr. Weyer.
Song—Wren Otterbein.
Discussion—O. I. Vance.
Song—Pearl Passwater.
Reading—Mamie Roblet.
Address—Rev. Rex Weyer.
Song—St. Marys Chapel.
Reports of schools, offering, benediction.

Evening Session, 7:00.
Song—Congregation.
Devotional—Rev. John Hey.
Song—Green Brier.
Discussion—Mrs. Alonzo Hileman.
The Primary class.
Song—Olive Chapel.
Declaration—Ethel Dunifon.
Song—Congregation.
Round Table Talk—Opened by W. O. Black.
Evangelism in the Sunday school.
Song, Benediction.

LIKE "HUMORESQUE"

"Heliotrope" a Picture of a "Different" Type.

At last that elusive object for which all the movie-makers are continually seeking—the picture that is "different." Cosmopolitan productions achieved it in "Humoresque"; now it is said, the same producers have done it again with "Heliotrope," the screen version of Richard Washburn Child's popular story. While the romance of two young people is developed to a happy ending in this picture, the main theme is that of a father who sacrifices his life to prevent disgrace from befalling his daughter. It is the story of a sinister woman foiled by a regenerated convict and of a happiness that comes to the latter's daughter as the result of his heroic action. Thrills aplenty and a finale that is surprising as it is satisfying is promised in "Heliotrope." The picture will be shown at the Crystal tonight and Wednesday. It is a Paramount. Special music at night.

Louise Koldewey of Union township, shopped here this morning. Dallas Spuhler of Union township, was in the city this afternoon on business.

A "balanced diet" may sound confusing to many people

The facts, as explained here, are simple.

The secret of a "balanced diet" is to have food containing all the elements needed for proper nutrition. These elements are protein, to nourish the tissues; starch and sugar to furnish energy; fat to supply heat; and mineral salts to provide the material necessary for building nerves, brain, and tooth and bone structure.

Grape-Nuts, the nourishing cereal made of whole wheat flour and malted barley, served with cream or milk, is a complete food for young and old alike.

Go to your grocer today and get a package of Grape-Nuts. Eat it with milk or cream for breakfast; or with stewed fruit, jelly or jam, as a delicious dessert for lunch or dinner.

Every member of the family will relish this palatable and nourishing food—
