

Publicly Indorsed!

Tens of thousands of men and women throughout the United States and Canada, of all ages and in all walks of life, afflicted with stomach, liver and kidney disorders, some of them of long standing, as well as thousands of weak, thin, nervous men and women apparently on the verge of collapse, have testified publicly that they have been fully restored to their normal health, strength and weight by the use of Tanlac.

Still others, who seemed fairly well, yet who suffered with indigestion, headaches, shortness of breath, dizzy spells, sour, gassy stomach, coated tongue, foulness of breath, constipation, had complexion, loss of appetite, sleeplessness at night and terribly dejected, depressed feelings, state that they have been entirely relieved of these distressing symptoms and restored to health and happiness by Tanlac.

That is THE REASON WHY the demand for Tanlac, the powerful Reconstructive Tonic and body builder, has broken all world's records.

Tanlac is sold in Decatur at Smith, Yager & Falk's and by leading druggists everywhere.

Indianapolis, Jan. 16.—One of the chief entertainers at the State conference of Rotary clubs to be held here Thursday February 21-22, will be Roltaire Eggleston, chairman of the entertainment committee, who was for years known professionally as "The Great Roltaire"—a magician of top notch ability. Eggleston left the road work a few years ago and settled down as manager of B. F. Keith's theatre in Indianapolis, became a Rotarian and got married "n everthing" and puts in his spare time and a lot that he can't spare in entertaining most anyone who wants to be entertained. Figuring that the Rotarians of Indiana, will stand a good deal of entertaining at the state conference, the local president has made Eggleston chairman of the entertainment committee. It will be Rotarily done—Eggleston "has no mustache to deceive you."
