FOR THE FARMERS

Items of Interest to the Farmers of Adams County.

With 78 car loads of corn thus far contributed by Indiana farmers in response to the appeal of the starving children of Armenia, the Hoosier state probably leads the country, according to Prof. G. I. Christie's agricultural committee.

Russell G. East of Shelbyville, state grain director, estimates that the corn gift is now approximately 78,000 bushels. The appeal, he announces, will be continued until all communities have a chance to make grain gifts. Many farmers of course have paid the equivalent of grain in cash rather than carry corn to elevators. Milling concerns over the country are grinding the grain into corn products.

Ekhart county has made the banner corn donation—seven car loads where the quota was but three cars. Other counties making their corn quotas, some having passed it are Shelby, Morgan, Dearborn, Ohio; Ekhart, DeKalb, Jackson, Noble, Starke, Jennings, Wells and Wayne. Morgan county was the first to finish, giving five carloads of corn instead of its quota of three. Shelby county's gift was five car loads, one township giving 1,000 bushels and another 900. In Wayne county the appeal is being conducted by women with Mrs. A. W. Roach, prominent club woman of Richmond, as chairman. In Johnson county the Chamber of Commerce of Franklin is aiding County Agent Scandrett.

Word to the Near East Relief says that a big ocean freighter with nose pointed to Constantinople is ploughing across the Atlantic with 3,000 tons of corn products to feed the children of the Bible lands. The appeal is being conducted in fourteen corn producing states.

Rev. William Kirkby, of the McCormick seminary, Chicago, preached two excellent sermons at the Presbyterian church Sunday. The Rev. Mr. Kirby is a young man, and promises to become a very energetic and active minister of the gospel. He was greeted by large audiences, morning and evening.

TON LITTER CLUB STARTED IN STATE

Hoosier Hog Men to Compete in Swine Growing Contest—Ton Litter in Six Months.

The Indiana Livestock Breeders' Association has just completed plans to award a gold medal to anybody in Indiana who produces a litter of pigs, farrowed between February 1 and April 30, 1922, that weighs a ton or more when it is six months old. A silver medal is offered for a litter weighing between 1,800 and 2,000 pounds and a bronze medal for one weighing between 1,600 and 1,800 pounds.

This division of the Indiana Livestock Breeders' Association will operate under the name of Hoosier Ton Litter Club. Active Co-operation of Purdue University Department of Agricultural Extension has been secured to help carry out the plans for the club.

These medals are offered to encourage better methods of breeding, feeding and management of hogs," said F. G. King, secretary of the association, in announcing the plans. "Data secured by the Purdue Extension Department on over 60 Indiana farms show that the methods of breeding, feeding and management which will result in litters weighing 1,600 pounds to a ton or more when six months old are the ones that generally bring the farmer the largest profits on hogs."

Farmers producing market hogs as well as pure-bred swine breeders may nominate litters for the medals, the only requirement being that every one who enrolls in the Hoosier Ton Litter club shall become a member of the Indiana Livestock Breeders' Association for 1922 by paying the 50 cent membership fee. This must be done before February 15, 1922. Membership may be taken out through the county agent or direct with the Secretary of the Indiana Livestock Breeders' Association, Lafayette, Ind.

The official rules and regulations of the Hoosier Ton Litter Club call for a memorandum of the rations fed to the breeding herd from the time the sows are bred until the pigs are weaned and one the pigs from that time until they are marketed. Litters must be ear-marked at farrowing time and a report of this marking filed with the secretary of the breeders' association. This is necessary in order to identify the litters when they are six months old, so that they can be weighed up. A copy of these rules and regulations may be obtained from the Purdue Agricultural Extension Department, Lafayette, Ind.

Able to crack a Brazil nut between his still strong teeth, Mr. Lamb, of Ash, Surrey, England, is 103 years of age.

According to one medical man, if you sleep with one hand under your cheek your eyes will slant and the corners of your mouth droops, for all the time you are messaging your face in the wrong direction.

TRYED TO BEAT TRAIN

Edinburgh, Ind., Jan. 16—(Special to Daily Democrat)—Four lives were lost in a railroad crossing accident here yesterday. Another death may be added to the toll.

John Joslen had recently bought a farm near Franklin and had just taken an automobile ride to the place to show it to his family. They were planning to move there.

He said he saw a train approaching on the Pennsylvania road but he thought he had time to beat it.

His mother, Mrs. Alcinda Joslen, and his two daughters, Dorothy, 2 years old and Opal, 22, were killed outright. So was his 10 year old son,

SHANKS FOR BEVERIDGE.

Indianapolis, Jan. 16—(Special to Daily Democrat)—Lew Shank, mayor of Indianapolis, said today he will "stump" every nook and crook of the state for Albert J. Beveridge.

Beveridge is generally supposed to be a candidate for United States senator from Indiana although he has never announced himself. He may seek the republican nomination against Senator New who is standing for re-election.

Shank defended the republican organization in the primary when he won the mayoralty nomination against a candidate who had the backing of the "regulars." In doing so he formed a powerful organization of his own aligning factory workers and laborers behind him irrespective of party lines.

PREACHED GOOD SERMON.

Rev. William Kirkby, of the McCormick seminary, Chicago, preached two excellent sermons at the Presbyterian church Sunday. The Rev. Mr. Kirby is a young man, and promises to become a very energetic and active minister of the gospel. He was greeted by large audiences, morning and evening.

CHICAGO MARKET CLOSE

(United Press Service) Chicago, Jan. 16—(Special to Daily Democrat)—Wheat: May \$1.11½; July \$1.00½. Corn: May 52½; July 54½. Oats: May 38½; July 38½.

SHIVELY A CANDIDATE

(United Press Service) Marion, Ind., Jan. 16—(Special to Daily Democrat)—Bernard B. Shively, a nephew of former Vice-president Thomas R. Marshall, announced here today he will seek the democratic nomination for United States senator from Indiana at the primaries May 2.

Shively is an attorney here. "A young man will win the race," Shively said as he tossed his hat in the ring.
