BERNE NEWS

(Continued from page two)

Thomas, of Decatur, visited with Miss Vera Schug Saturday and Sunday.

Miss Edna Braun left Saturday morning for Fort Wayne, where she will visit with her sister, Mrs. Ira D. Rohrer and with Mrs. E. K. Shalley for a few days.

HEAD ACED AND BODY ACED

There are various symptoms of kidney trouble—rheumatic pains, backache, sore muscles, stiff joints, and "always tired" feeling. Mrs. Geo. Morgan, E. Fairfield, Vt., writes: "My head ached and my whole body ached so I could not sleep. Foley Kidney Pills gave me relief." They heal and strengthen weak, disordered kidneys and bladder and help them in their work of filtering the blood and casting out of the system the impurities that cause pain and disease. Prompt in action.

BULGARIAN BLOOD TEA

Increase the blood circulation, flush the kidneys, stimulate the liver, ward off flu, grippe and pneumonia. Sold by druggists and grocers everywhere.

DISTRICT MEETING

The eight district meeting of the Knights of Pythias lodge will be held Friday afternoon and evening at Portland, and a number of local men will

attend. J. H. Stewart and Frank McIntosh are the delegates from the Kekionga lodge of this city, but there will be several others in the delegation from Adams county.

A Frenchman has trained himself at holding his breath to such a pitch that he can shave himself, peel and eat a potato and drink wine all in one breath.

Like Going To A Fair

THERE'S something fascinating about a fair. Things are always moving. Folks come from near and far to see, to hear and to compare.

But nobody would think of going to a fair every day. It would take too much valuable time. Besides there's a continuous substitute right in your home, though you may not have realized it. For this newspaper conducts a regular fair every day in its advertising columns.

Here the merchants and makers of everything you need or want display before you their most attractive wares. You have only to choose at your ease what you care most about before actually going to see the products so displayed.

There's a world of information and interest in the advertisements. The time and trouble they save you are beyond calculation. Always feel you're shopping when you read the advertisements. You'll find the habit pleasant and profitable.
