If you want to quickly clean your skin and complexion, put some firm healthy flesh on your bones, increase your nerve force and power and look and feel 100 per cent better, simply try taking two of Mastin's tiny yeast VITAMON Tablets with each meal and watch the results. Mastin's VITAMON Tablets contain highly concentrated yeast-vitamins as well as the two other still more important vitamins (Fat soluble A and Water soluble C) and are now being used by thousands. They positively will not upset the stomach or cause gas, but, on the contrary, are a great aid to digestion, to overcome constipation and as a general conditioner of the whole system. Pimples, boils and skin eruptions seem to vanish like magic, the complexion becomes fresh and clear, the cheeks glow with ruddy health, the flesh becomes firm, the eyes bright. Mastin's VITAMON Tablets are positively guaranteed to give you new health, energy and ambition and improve your appearance. Do not accept imitations or substitutes. You can get Mastin's VITAMON Tablets from any good druggist.

LESSON FOR JANUARY 22

ELIJAH'S FLIGHT AND RETURN.

LESSON TEXT—1 Kings 19:1-21.  
GOLDEN TEXT—I waited patiently for the Lord; and he inclined unto me, and heard my cry.—Ps. 40:1.  
REFERENCE MATERIAL—Ezek. 3:1-7; Acts 16:6-10; 18:1-11.  
PRIMARY TOPIC—God Sends an Angel to Help Elijah.  
JUNIOR TOPIC—God Strengthens Elijah.  
INTERMEDIATE AND SENIOR TOPIC—Jehovah's Champion Encouraged.  
YOUNG PEOPLE AND ADULT TOPIC—Finding and Finishing Our Task.

This lesson story proves Elijah to have been a man of like passions as we are (Jas. 5:17).

1. Elijah's Flight (vv. 1-14). Upon Ahab's return from the excitement on Mount Carmel, he told his wife all that Elijah had done—that even all her prophets had been hewn to pieces by the sword. This so enraged her that she sent a message of death to Elijah, who seems to have been waiting at the gate (vv. 1, 2). This was clearly a bluff on Jezebel's part. Though Elijah had courageously stood before the king and the priests of Baal, he now cowered before this woman and fled for his life. He seems to have failed at his strongest point.

1. Elijah under the juniper tree (vv. 3-7). The juniper tree was a shrub of the desert which afforded shelter and protection to travelers from the burning sun by day and the cold wind by night. (1) His request (v. 4). This was that he might die. This was no doubt a foolish thing for him to say, but let us be as considerate toward him as was God. The discouragement, and even despondency, of Elijah was due to the nervous strain of about four years of unusual service for God, which culminated on Mount Carmel. Such nervous reaction is to be expected. (2) God's tender treatment (vv. 5-7). (a) He gave him sleep (v. 5). "He giveth His beloved sleep" (Psa. 127:2). (b) He sent an angel to cook Elijah's meal (vv. 6, 7). The angel of the Lord is usually understood to be the second member of the Holy Trinity. If this be correct, then we see Jehovah-Jesus preparing food for His servant Elijah, as He afterward did for His discouraged disciples by Galilee (John 21:10). God again gave him sleep, and at the proper time again gave him food. Though Elijah wanted to die, God had something better for him, for in a later day He met him with the "chariot of the Lord" and took him to heaven untouched by death.

2. Elijah at Horeb (vv. 8-14). (1) God's interview with Elijah in the cave (vv. 9, 10). (a) God's question (v. 9). "What doest thou here, Elijah?" This was a stinging rebuke, though most kindly given. It implied that His appointed messenger was now far away from the field of duty. Elijah was not where God wanted him, but God sought him where he was. How blessed to know that "A God-forsaking saint is not a God-forsaken saint!" (b) Elijah's answer (v. 10). Elijah tried to vindicate himself by asserting his jealous loyalty to God—that in spite of all this the people had not only rejected his message and dishonored God, but had sought to destroy him. (2) God's interview with Elijah on the Mount (vv. 11-14). While standing before the Lord on the mount, God caused a mighty demonstration of wind, earthquake and fire to pass before him to show unto him the nature of the work which he had been doing for God, and to show him what was lacking in his work for the fullest attainment of success. Elijah had about him much of the whirlwind, earthquake and fire. His work had been terrifying and alarming, but it lacked in gentleness and love.

11. Elijah's Return (vv. 15-18). Though Elijah had erred, God brought him again into His service. How comforting to know that God does not reject His servants because of their failures in times of despondency! He deals with them after the motive of their hearts. Elijah was nourished and instructed by the Lord and then sent on a high mission. God is a fine psychologist. He took Elijah out of himself by giving him a new commission. The most healing ministry is that of work. Many bereaved ones have been lifted out of themselves by active ministry to others. Before God would come in His chariot to take Elijah home, He set him upon a threefold ministry:

1. To anoint Hazael king over Syria (v. 15).  
2. To anoint Jehu king over Israel (v. 16).  
3. To anoint Elisha as his own successor (vv. 19-21).

Time Rightly Employed. Never talk with any man, or undertake any trifling employment, merely to pass the time away; for every day well spent may become a "day of salvation," and time rightly employed is an "acceptable time." And remember that the time thou trifled away was given thee to repent in, to pray for pardon of sins, to work out thy salvation, to do the work of grace, to lay up against the day of judgment a treasure of good works, that thy time may be crowned with eternity.—Jeremy Taylor.

TELLS THEM WHY.

Crawfordsville, Ind., Jan. 18.—(Special to Daily Democrat).—Samuel M. Ralston, former governor of Indiana, blamed the farmers financial ills on failing of the United States to enter the league of nations in an address here today at a luncheon at the Crawfordsville Kiwanis club gave to Mont-gomery county farmers.

"This is the penalty the people here are paying because of a narrow vindic-tive policy that has made it impossible to establish the former relations be-tween this and foreign countries," Ral-  
ston said.

"How radically wrong are condi-tions that make it more profitable to burn corn than it is to pay the price fixed by the coal bloc for coal fuel."

"Everybody now sees that Woodrow Wilson spoke in prophesy when la-menting the threatened reservations by the United States senate to the Versailles treaty."

## You are entitled to the benefit of the doubt Why not take advantage of it?

The law is very careful in protecting the rights of a pris-  
oner charged with a crime.

How about the Law of Com-  
mon Sense and the man who  
has committed an error only?  
Isn't this a good place to use  
the benefit of the doubt, too?

Take your own case: If you  
don't know for sure whether tea  
or coffee is harming you, you do  
know that many are harmed by  
the drug element in tea and  
coffee, and that headaches,  
nervousness, or high blood pres-  
sure are symptoms which often  
tell that the drug, caffeine, is  
giving the nervous system too  
much jolt.

Probably you know, too, that  
some people can't drink a cup  
of tea or coffee at bed-time,  
and sleep well that night.

Where many have been

harmd by tea and coffee, and  
you may be harmed, isn't it  
well to put the benefit of the  
doubt on your side before  
doubt becomes an unpleasant  
certainty?

There's charm without harm  
in Postum—a pure cereal beve-  
rage, rich in flavor, fully sat-  
isfying; the favorite table drink  
of thousands.

Suppose you try giving your-  
self this benefit today, and keep  
up the test for ten days; then  
judge the results. See if you  
don't feel better and work  
better. You can get Postum  
wherever good food and drink  
are sold or served.

Postum comes in two forms: Instant  
Postum (in tins) made instantly in the  
cup by the addition of boiling water.  
Postum Cereal (in packages of larger  
bulk, for those who prefer to make the  
drink while the meal is being prepared)  
made by boiling for 20 minutes.

LOCALS LOSE TO CELINA.

The Klepper Klover Klub basketball team of this city journeyed to Celina last evening where they were met and defeated by the fast Celina outfit, the final score resulting 38 to 16. The game proved to be fast and exciting and was well played by both teams. Celina's team climbed to a lead at the start and obtained a margin that could not be overcome by the locals. The Celina outfit is considered an unusual fast aggregation, they having been defeated by the Fort Wayne K. of C. team recently by a small score.

The locals do not feel discouraged over the result of the last several games and will give the local fans a real treat when they meet the fast Oswego New York team in this city within a short time.

## Why CALUMET BAKING POWDER Contains White of Egg

Every time you buy a can of Calumet Baking Powder you have positive proof of its leavening strength—you know that it is not deteriorated in the slightest degree. You have this assurance because Calumet contains a small amount of white of egg.

When the Calumet sales-man calls on the grocer he makes a simple test of Calumet which discloses any deterioration that may have occurred

through exposure to damp-ness or other causes. With-out the presence of a small amount of white of egg this test could not be made. When you buy and use baking powder that does not contain white of egg you take the chance of spoiling your baking be-cause deterioration can-not be detected in such powders in any other man-ner than through labora-tory tests.

Buy Calumet because you know what the results will be when you use it.

You save when you buy it—  
You save when you use it.
