

Just Right Arctics

Our six-buckle, all-rubber arctics are just the right kind of arctics to wear in the snowy, slushy, and muddy weather.

They come up high on the leg. You don't have to worry about your trousers working out of the top of these arctics. They are lined with felt all the way through. That's what keeps your feet warm.

BIG DRAMATIC "PUNCH" IN HAMMERSTEIN PLAY

"Remorseless Love" in which Elaine Hammerstein will be presented at the Mecca theatre for two days engagement beginning tomorrow is a somewhat different type of story from any in which the popular screen star has yet appeared. The scenes are laid in the Kentucky mountains and the action has to do with dramatic incidents growing out of one of the ages-old feuds for which that section is celebrated.

There are no ballrooms or evening gowns. Miss Hammerstein appears as a young girl whom a little education has failed to change from the prototype of her ancestors, whose loves and hates were as strong and wild as the winds that rocked the mountain trees.

The big "punch" arrives in a courtroom scene during which the girl threatened with violent death if she dares to tell the truth, braves everything for the man she loves.

TWO GAMES TOMORROW.

Two basketball games will be staged at the Athletic hall tomorrow evening both of which promise to be of great interest to the local fans. The first game will be called at 7:30 o'clock and will be staged between the Montpelier high school girls team and the local girls team.

The Montpelier ladies come to this city with a number of victories to their credit and are planning on giving the locals a run for their money.

The big game of the evening will be called at 8:30 o'clock and will be staged between the Portland high school boys team and the local high school five. The game promises to be a hard fought battle with the usual excitement.

FOLEY'S HAS NEVER FAILED

January is a bad month for influenza, la grippe and bronchial troubles. It is unwise to neglect the slightest cough or cold. Foley's Honey and Tar gives prompt relief, gets right at the trouble, covers raw inflamed surfaces with a healing coating, clears the air passages, eases stuffy breathing and permits sound, refreshing, health-building sleep. Mrs. F. A. Gibson, 1547 College Ave., Racine, Wisc., writes: "Foley's has never failed in giving immediate relief and I am never without it."
