

Warm feet 20 Below Zero

The fellow that has this high knit wool shoe has warm feet in the coldest weather. He has warmth without weight—he has comfort without unsightliness. If he

wants to come to town or go to church he slips his dress overshoes over them and no one is the wiser but what he has his dress shoes on. Plenty of sizes today.

SUSTO

FOR DELICATE
CHILDREN

Tested and Approved at One
of Our Greatest Medical
Medical Colleges.

For the first time in history we are able to offer to our people a remedy tested and approved by a Professor of Physiological Chemistry at one of our greatest American Medical Colleges. After testing SUSTO in many cases and for many months in his final report he says:

"In every instance where undernourished infants and children were given SUSTO, important body-weight increases were registered. A notable case is that of a boy eleven, who had been under weight for three or four years, in spite of the best medical and dietetic treatment. SUSTO produced a gain of six pounds."

Similar tests were made upon children, adults and aged people suffering from malnutrition, nervousness, anemic conditions and others recuperating from illness. In every case SUSTO demonstrated its powers to stimulate the appetite and increase bodily weight and strength. Therefore, we feel confident that those who have delicate, ailing children or adults who need strength, lack energy, are nervous, anemic, run down, under weight, or feeble old people, can find nothing better than SUSTO.

SUSTO simply adds to the daily diet in concentrated form, the growth-promoting, strength and life-giving elements of yeast, rice, eggs, milk, beef protein and iron that they are not getting in their daily food and which are necessary to sustain strength and life. For sale by Smith, Yager & Falk.

"OUTSIDE THE LAW" NEW PRISCILLA DEAN FILM

Priscilla Dean's first feature since "The Virgin of Stamboul" is to be shown at the Crystal theatre tomorrow. It is called "Outside the Law" and is the work of Tod Browning, who has directed Miss Dean in all her big screen successes, and who wrote her latest story as well as supervised its production. From all advance reports it is the crowning achievement of the popular Universal star and her author-director.

More than \$250,000 was expended in the production of "Outside the Law," and the cast is a roster of Who's Who in cinema circles. Besides Miss Dean there is Lon Chaney as a Fisco gangster, Wheeler Oakman plays a dapper gentleman crook, E. A. Warren a rare Chinese characterization, and Ralph Lewis as master-gambler; while Melbourne MacDowell, Wilton Taylor and Stanley Goethals, a clever child actor, are other principals in the cast.

Lon Chaney will be seen in two of the strangest characterizations of his career in this photodrama. One of the roles played by this king of all character actors, is that of "Black Mike" Silva, evil genius of the underworld. The identity of the other role is kept a secret by Tod Browning and is kept a secret by the screen goers, as Chaney's make-up in the part is unbelievable and impenetrable even by his personal friends.

Mr. and Mrs. J. L. Gay visited in Bluffton yesterday as the guests of their son, Dick, and family.

Dick Durkin and Ed Bossee spent yesterday in Fort Wayne. Mrs. Mercer and son of Chattanooga O., shopped here this morning.

PROTECTION

It is good judgment to carry various kinds of insurance. It is equally good judgment to rent a Safe Deposit Box. In either case you are buying PROTECTION.

As a rule you do not need the things you would keep in a Safe Deposit Box frequently. When you do need them it is no trouble to come to the bank.
