## Today is the Time

It is easy enough to wait until tomorrow or the day after, but time is just as important as money to you, and accounts started today with this Bank will make the setting aside of money tomorrow much easier. Are you looking ahead? Your business will be appreciated and you may do it by mail.

The Peoples Loan & Trust  
Company

BANK OF SERVICE

Have You a Hot Water  
Supply in Your Home?

Before investing in a water heating appliance let us tell you about the Ruud Automatic, a heater that furnishes steamy hot water in any quantity day or night. Automatically lights the gas and turns it off—hot water faucet is open. Last thing in efficiency and economy. Ask us about it.

ble class Wednesday evening, 7:30.  
A warm welcome will be extended  
to all who will attend these services.

C. J. MINER, Pastor

**IT'S A PECULIAR THING**

Everybody now-a-days is fastidious about  
their linen and their so-called "personal" clothing.

So frequently, however, a man will wear the  
same suit for weeks and weeks without thinking  
of having it cleaned, merely because it is dark,  
and the dirt is not visible.

How about you?
