**LUCKY  
STRIKE!**

When we discovered the  
toasting process six years  
ago, it was a Lucky Strike  
for us.

Why? Because now  
millions of smokers prefer  
the special flavor of the  
Lucky Strike Cigarette —  
because

A new discovery by which vulcanized rubber may be made in any shape or color, ranging from the most delicate pink and blue to the deepest purples and blues, has been announced. Toy balls made of rubber may now be made highly colored in designs similar to patterns in linoleum. No paint can chip or come off, because the color is in the rubber. The new discovery has broadened the field of usefulness for vulcanized rubber.
