

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-
achy or Bladder troubles you
—Salts is fine for Kidneys.

Meat forms uric acid which excites
and overworks the kidneys in their
efforts to filter it from the system.
Regular eaters of meat must flush the
kidneys occasionally. You must re-
lieve them like you relieve your bow-
els; removing all the acids, waste
and poison, else you feel a dull mis-
ery in the kidney region, sharp pains
in the back or sick headache, dizzi-
ness, your stomach sours, tongue is
coated and when the weather is bad
you have rheumatic twinges. The
urine is cloudy, full of sediment; the
channels often get irritated, obliging
you to get up two or three times dur-
ing the night.

To neutralize these irritating acids
and flush out the body's urinous waste
get about four ounces of Jad Salts
from any pharmacy; take a table-
spoonful in a glass of water before
breakfast for a few days and your
kidneys will then act fine and blad-
der disorders disappear. This famous
salt is made from the acid of grapes
and lemon juice, combined with lithia
and has been used for generations to
clean and stimulate sluggish kidneys
and stop bladder irritation. Jad
Salts is inexpensive; harmless and
makes a delightful effervescent lithia-
water drink which millions of men
and women take now and then, thus
avoiding serious kidney and bladder
diseases.

than Foley's Honey and Tar. I used it
for all my children and also for my
grandchild. It has always done fine
work." Foley's is a pure, wholesome
and absolutely safe remedy for the

ing. Children like it and it

MONROE NEWS

Mrs. Susie McKeeman of Fort
Wayne arrived here Friday on a few
days' visit with her mother, Mrs. Jes-
tie Hocker and other relatives.

John Rice of Tipton county, was in
town Thursday, looking after his
farm interests.

Leu Merryman, who underwent an
operation a few days ago, for rupture,
is reported as rapidly improving.

Mrs. Jacob Crist, 85, is reported as
being quite ill suffering from a com-
plication of disease due to infirmities
of old age.
Eggs took a drop! On Friday morn-
ing while R. L. Sprunger, manager of
the Enterprise Store, while shipping
eggs, dropped a crate of 30 dozen eggs
to the ground, breaking a number of
them. There was a scramble for eggs
on the highway and some of those pre-
sent, did not care to partake even at a
greatly reduced price. It does not
pay to haul eggs with the end-gate
down.

The Ray Harvey Durce hog sale
was well attended and fancy prices
were realized. The hogs offered for
sale were extra fine. Col. Fred Busche
the auctioneer, is well informed in the
stock business, and his work was sat-
isfactory in every particular.

The Monroe Basketball teams have

tournament, held at Berne on Friday
and Saturday, March 2 and 3.

overseas. Becker served nine months
and 12 days. He recently filed his ap-

LESSON FOR FEBRUARY 19

ELISHA AND NAAMAN THE SYRIAN

LESSON TEXT—II Kings 5:1-27.
GOLDEN TEXT—Bless the Lord, O my
soul, and forget not all his benefits: who
forgiveth all thine iniquities; who healeth
all thy diseases.—Ps. 103.
REFERENCE MATERIAL—Luke 4:16-20;
5:13-14.
PRIMARY TOPIC—A Little Girl Help-
ing.
JUNIOR TOPIC—A Young Girl's Serv-
ice.

INTERMEDIATE AND SENIOR TOPIC
—Elisha Helping a Foreigner.
YOUNG PEOPLE AND ADULT TOPIC
—How to Overcome National and Racial
Prejudices.

I. Naaman's Fatal Defect (v. 1).
He was a great man, but a leper. He
was held in high esteem by the king,
because through him the Syrians
had been delivered from their ene-
mies. He was not only a capable
general, but was a very brave man—
valorous. Every unregenerate man,
regardless of his gifts and possessions,
has this one fatal defect. He may be
a mighty warrior, a great orator, a
gifted writer, a man of profound learn-
ing, an honorable statesman, but if he
is an unbeliever in Christ, he is a lost
sinner—a leper. Leprosy is a type of
sin. Note its characteristics:

Loathsome, hereditary, infectious,
separating, destructive, deceitful, in-
curable by man.

II. The Faithful Witness (vv. 2-4).
This was a Jewish maid who had
been captured by marauding Syrian
troops who made frequent incursions
into Israel's land for the purpose of
plunder. Daniel at a later date was
carried away captive, and he likewise
was used of God to bless many. Jo-
seph is another example of one who
was put into a hard place, but became
a blessing to others, even to the sav-
ing of his brothers, who sold him. This
Jewish maid pointed out to this great
man the One who could heal him.
Many are the persons who have been
pointed to Christ as the Healer of
souls by children.

III. Naaman Seeking the Healer (vv.
5-9).

1. He goes with a letter of intro-
duction and great gifts (v. 5). In the
East valuable gifts are taken along
when in quest of some favor. In this
case the value was perhaps \$80,000.

2. He goes to the wrong place (vv.
6, 7). The maid did not suggest that
Naaman would be with the king he
would be recovered of his leprosy, but
with the prophet of God. We should
be very careful that we go to the
right place with our troubles and sins.
Neither the king's power nor Naaman's
money could avail anything in this
case. The prophet of God can bring
greater blessing than kings and rich
men.

3. Naaman at the door of Elisha
(vv. 8, 9). Elisha, upon learning of
the king's embarrassment, sent to him,
saying, "Let him come now to me." Naaman
appeared before Elisha's door in
great splendor. He did not come
as a suppliant, but as one who could
pay a goodly sum for healing.

IV. Naaman Healed (vv. 10-15).

1. Elisha's message (v. 10). Go
wash in Jordan seven times.

2. Naaman's anger (vv. 11, 12). He
thought that Elisha should have shown
deference to him. People today think
that their rank and wealth entitle
them to different treatment by God.
They turn away from the humble way
of the Cross, God's method of salva-
tion. Rich and poor, high and low
are alike in God's sight. Reasonings
of the flesh must be supplanted by the
obedience of faith.

3. Naaman's obedience (vv. 13, 14).
Through the earnest entreaty of his
servants his pride and prejudice were
overcome, and he did what the prop-
het commanded. The result of his ob-
edience was that his flesh "came again
as the flesh of a little child."

4. Naaman acknowledges Jehovah
(v. 15). After his cleansing he came
again to the prophet and said, "Now
I know that there is no God in all the
earth, but in Israel." The vital point
of teaching in this lesson is how near-
ly Naaman missed being healed. The
three enemies which almost kept
him from being healed were: (1) Pride
(v. 11). He was insulted because the
man of God did not come out to such
a distinguished man as he was. (2)
Preconceived opinion (v. 11). "I
thought." Many sinners procrastinate
because they have preconceived op-
inions as to how God ought to save. (3)
Prejudice (v. 12). Rivers of Damas-
cus are better than Jordan. Count-
less thousands are lost by these ene-
mies. God has provided only one way
to save men from their sins—the way
of the Cross.

The Dove and Jesus.

Now when all the people were
baptized, it came to pass, that Jesus
also being baptized, and praying, the
heaven was opened, and the Holy
Ghost descended in bodily shape like
a dove upon him, and a voice came
from heaven, which said, Thou art
my beloved Son; in thee I am well
pleased.—Luke 3:21-22.

The Unrighteous.

The ways of peace have they not
known: there is no fear of God before
their eyes.—Romans 3:17-18.

BERNE NEWS

Mrs. Chris Reusser received a tele-
gram from Pretty Prairie, Kansas,
yesterday stating that David Reusser,
her brother-in-law, died at that place
and will be buried tomorrow. David
Reusser moved from here to Kansas
about 40 years ago. Only one of the
uncles of the elder Reussers at this
place remains, Abraham of Mound-
ridge, Kan.

Rev. A. M. Clauser, left yesterday
morning to attend a meeting of the
general committee of the Missionary
churches at Fort Wayne.

At a beautiful Valentine party held
at Geneva last week, the wedding of
Miss Ruth Hutton of that place to
Milton Liechty of Robinson, Ill., was
announced. The couple was married
at Robinson last Saturday. The
groom is a son of Mr. and Mrs. Amos
Liechty.

Mrs. Peter Baumgarten left yester-
day for Fort Wayne, where she will
visit at the F. K. Schaefer home for
several days.

Bleacher seats were installed yester-
day at the auditorium and were used
last night for the Monroe games.
This will mean an increased seating
capacity of at least 100 for the county
tournament next week. The seats
were put up in the balcony and afford
a fine view of the floor.

The directors of the M. R. E. cem-
etery held their annual business meet-
ing Wednesday afternoon. After the
regular business had been disposed of
the bids of the applicants for a sex-
ton were opened. C. C. Barry was the
successful bidder and will therefore
be the sexton during the coming year.

M. E. Stauffer, W. E. Baumgartner,
C. O. Lehman and C. T. Habegger
were at Decatur last night where they
furnished special music at the annual
banquet of the Decatur Rotary club.

Miss Alta Wilson, forelady of the
Berne Overall & Shirt company re-
ceived word this morning that a
brother of hers had committed suicide.
Miss Wilson's mother died only about
two weeks ago.

Mrs. Jennie Justus of Bluffton, H.
B. North of Scott Bluff, Neb., and Mrs.
Louis Hoffman of Lima Grove visited
with the L. L. Yager family Wednes-
day. Mrs. Justus and Mr. North are
cousins to Mrs. Yager.

Philimon P. Sprunger arrived here
the fore part of the week from Chi-
cago and will remain at the home of
his parents, Mr. and Mrs. Simon.
Sprunger north of town. Mr. Sprun-
ger has been employed at the Marshall
Field company but was recently forced
to accept temporary unemployment
when the company dismissed
much of their help because of trade
depression. Mr. Sprunger will for
the present assist his father on the
farm.

NOTICE TO BEE KEEPERS

The department of conservation di-
vision of entomology in the state of
Indiana is planning on a thorough in-
spection of every colony of bees in
the state and to this end have secured
the services of several new men
for this work in the hopes of putting
the bees in better shape for com-
bating foul brood which is fast de-
stroying our bees in many localities.

This disease has become so pre-
valent in some localities that the
bees have become almost extinct.
This is due largely to neglect in the
way of keeping them in poor hives,
such as kegs, boxes, or makeshift
home made hives that can not be taken
apart and looked after. This dis-
ease is fatal if left alone and is also
very contagious to other bees when
they come in contact with it. It is
the wish of the department to have
all bee keepers use uniform hives
having movable frames so they can
be readily taken apart and looked
after by the owner or by those in
charge of this work.

This work is taken care of by the
department free to the bee keepers
and their services should be appre-
ciated enough by those having bees,
that they will co-operate with those
in charge. The bee industry is no
small factor in the production of food
stuffs in our country and deserves
better attention than it has received
in the past. Even as a luxury it de-
serves more attention than it has in
the past.

In order to create more of an in-
terest in the state meetings are being
held in every county to the end
that permanent organizations are be-
ing formed, through which bee keep-
ers will be able to buy their supplies
much cheaper than they have been
paying for them in the past. A meet-
ing of this nature has been called in
Adams county for Saturday, Febru-
ary 25th, at the county agent's office,
Decatur, Indiana, at 2 o'clock. All
interested in this enterprise are in-
vited to be present. The state bee
inspector Mr. C. O. Yost, will be here
and will assist in any way he can by
answering any questions you may
have to ask. Come and bring your
neighbor with you.

NEW CLOSED CAR PLANT FINISHED

Facilities for Sedan and
Coupe Production Pro-
vided by Dodge Bros.

A definite expectation of an un-
usually heavy demand for the sedan
and coupe throughout the year is in-
dicated by Dodge Brothers recent
completion on an immense new closed
body plant. The production cap-
acity is said to have been practical-
ly doubled dealers are being assured
that the factory will do its utmost to
keep pace with the usual rush of
spring and summer orders.

Despite the most strenuous efforts
such as a greatly enlarged working
force and long night shifts, it was pos-
sible to catch up with the demand for
several months after the im-
proved type of sedan and coupe made
their appearance last fall. From this
enthusiastic reception of the improved
cars it was evident that much greater
facilities would be required, with the
natural result that the new closed
body plant was hurried to completion
in ample time to meet the combined
emergency brought about by spring
and a sharp price reduction.

With the straight sweeping body
lines, disc wheels and custom win-
dows in the improved sedan, Dodge
Brothers seem to have considered the
motorists' every desire in design and
in comfort features. Cleanly chiseled
body lines, which flow squarely
backward from the cowl, strike the
observer with their simple beauty.
The windows are square cut in de-
sign and further enhance the straight
graceful silhouette of the body. Con-
siderably lower, the whole ensemble
in its outward appearance immedi-
ately impresses one with its dignity and
harmony of design.

The disc wheels are done in black
enamel with cream stripe and hide
from view the springs and other un-
derneath parts. The disc wheels may
be removed with facility and are easily
cleaned. The brilliant lustre of the
sedan's exterior finish is familiar to
all owners of Dodge Brothers motor
cars.

In the interior appointments, the
sedan leaves little to be desired. Delic-
ately striped mohair velvet is used
in upholstering the wide, commodi-
ous rear seat. In front is a deep, wide
solid seat with rounded sides, also
trimmed in the striped material. The
four doors, which permit easy en-
trance and exit from any part of the
sedan, are upholstered with plain mo-
hair velvet in a soft fawn-gray. Com-
bined with the heavily nickle-hand-
led by which the windows are easily
raised or lowered, this adds a richness
of tone which can hardly be ade-
quately described.

The windows in the doors and body
are garnished with natural black wal-
nut and are of polished plate glass.
The body of the car is equipped with
Yale locks, affording additional pro-
tection against theft and insuring the
safekeeping of bundles and other ar-
ticles when shopping. Handy side
pockets, arm rests and windshield
cleaner are other conveniences of the
improved Dodge Brothers sedan.

LAUDER AT MAJESTIC TONIGHT

At one of Sir Harry Lauder's per-
formances in London last spring, sev-
eral hundred veterans of the World
war, many of them still suffering
from wounds received in France and
Belgium, occupied front seats as
guests of the famous comedian. "Lad-
dies," he said, "I brought you here be-
cause I wanted to sing to you just as I
did in the fair days of conflict out in
yon trenches!" And then, in order
to make the scene as reminiscent as
possible, the stage hands brought out
the little traveling organ that Lauder
had transported all along the French
and Flanders front on the back of a
Ford "Hiver", a soldier lad sat down
at the keyboard, and for an hour the
little Scot apparently forgot the rest
of the audience and sang the best
and most exhilarating songs in his
repertoire to the enthusiastic veter-
ans. Lauder will sing some of these
songs at the Majestic, Fort Wayne,
Saturday, February 18.

"THE BAT" AT THE MAJESTIC

Wagonhals & Kemper's production
of "The Bat", by Mary. Roberts
Rhinehart and Avery Hopwood will be
presented at the Majestic Theatre at
Fort Wayne, Monday, Tuesday and
Wednesday night and Wednesday mat-
inee by a brilliant cast.

This is the play, conceded by all to
be the greatest success in years. This

is the play about which there has
been more discussion than any other
play produced in a generation or more.
"The Bat" comes to Fort Wayne
with a remarkable record for populari-
ty. It has played for more than a
year at the Morosco Theatre, New
York, (and it is still there). Simul-
taneously, another company broke ev-
ery existing theatrical record in Chi-
cago by playing at the Princess The-
atre, that city, for one solid year.
These are facts to conjure with.

IT WENT TO THE SPOT
Lingering colds and coughs that
hang on and wear one out are difficult
to get rid of, but Henry E. Campbell,
R. F. D. No. 3, Adrian, Mich., writes:
"I had a bad cough for three years.
Tried several cough medicines. Got
little relief. I tried Foley's Honey
and Tar. It went to the spot. There
is no better remedy on the market."
Good for coughs, colds, croup and
whooping cough—clears the passages;
soothes irritated membranes; stops
tickling in the throat. Contains no
opiates. Sold everywhere.
