## TANLAC

says Thos. J. O'Donnell, 156 State St., Rochester, N. Y. Tanlac, by its action on the digestive and assimilative organs, builds up the entire system,

brings back the glow to your cheeks, the spring to your step and the glorious feeling of buoyant health to every fibre of your body. At all good druggists.

### SECURES PENSION

Word has been received by Mrs. Catherine T. Miller of Berne, Ind., widow of the late Mathias Miller, through her attorneys, Lenhart & Heller, that an original pension has been granted her of \$30 per month, starting March 3, 1921.

## AN OLD RECIPE TO DARKEN HAIR

Common Garden Sage and Sulphur  
Makes Streaked, Faded or Gray  
Hair Dark and Youthful  
at Once.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair; taking one small strand at a time; by morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

HOT WATER ALL THE TIME

That will be your pleasant lot when we have installed for your our hot water heating system. Any time you want hot water, just light the gas and in a few minutes you will have all you need. Let us install our modern sanitary sink in your kitchen and tubs in your laundry. It pays!

P. J. HYLAND  
West Monroe Street

## GIVEN AWAY

### FOR A SHORT TIME ONLY

Reverend and Mrs. C. L. Haney and daughter, Miss Josephine, were entertained at dinner yesterday by Mr. and Mrs. John Mosure.

The Home Guards will meet tomorrow afternoon at the home of Miss Helen Frances Christmas on Ninth street. Guards will meet at 2 o'clock with Margaret Kitzon.

The Mission band children of the Reformed church will meet tomorrow afternoon at 2:30 o'clock in the Sunday school rooms. All members are requested to be present.

## GENEVA NEWS

Miss Inez Pyle, who graduated as an army nurse some time ago and has been spending the past several months visiting her parents, Mr. and Mrs. Harvey Pyle, and other friends of this city, returned Wednesday to Washington, D. C., where she will again enter the army as a nurse.

Mrs. Guy Ricketts of Kendallville came the fore part of the week to visit her father, F. J. MacWhinney and family, for a short time.

Mrs. Louise Lynch of Hartford City came Thursday afternoon for a short visit at her parental home here.

The M. E. Ladies Aid met last Tuesday afternoon at the home of Mrs. E. B. Gauner on High street. The number of members present was much smaller than usual because of the great amount of sickness in the town and community. The report of the committee on the supper given last Saturday night was made and other business attended to. After the social hour delicious refreshments were served by the hostess and her assistants.

The funeral service for James A. Pusey was held Thursday morning at 10 o'clock at the Hartford church, Rev. I. W. Carnes officiating assisted by E. J. Glendonig. Burial at Steiner cemetery.

Miss Virginia Pyle, a trained nurse who has been spending the winter in New York City, returned to her home here the latter part of last week.

Francis MacWhinney was suddenly taken ill last Sunday evening with pneumonia and has been quite sick all week, but is reported some better at present.

Funeral services of James Brennen were held at the home two and a half miles northwest of town last Tuesday afternoon with Rev. Cochran in charge. Interment in Riverside cemetery. The body was kept only a short time because of the fact that all but one of the rest of the family were ill with the flu.

Mike Mier and wife and Mr. and Mrs. Louie Mier of Fort Wayne were visitors in this city the fore part of the week.

Miss Helen Nell is sick this week with the flu.

The Senior class of the local high school is going to Decatur Friday to school went to Decatur today to have its picture taken.

Harold Mattax, Harland Whiteman and several others went to Decatur today to attend the district basketball tournament.

### THIS WILL GO THROUGH

(United Press Service).  
Washington, March 3.—Bonus leaders in the House predicted today that the non-cash gratuity plan will go through congress with comparatively little trouble.

The sub-committee engaged in redrafting legislation to eliminate all cash bonuses, except for men whose compensation is \$50 or less, estimated that within two weeks the bill will be ready. Members experience has shown that there is many a slip between prediction and enactment.

### CARD OF THANKS

We wish in this manner to express our sincere and heartfelt thanks to our many kind friends and neighbors for their help and sympathy; also for the beautiful floral offerings, during the sickness, death and burial of our beloved daughter, Helen.

MR. AND MRS. JIM IVETICH

## INCOME TAX BLANKS READY

Every citizen of the United States is subject to the provisions of the income tax law. He may live in this country or he may live abroad, possessing no property within the United States and deriving no income from sources within the United States. Nevertheless, he must file a return if single and his net income for 1921 was \$1000 or more or his gross income \$5,000 or more, or if married and his net income was \$2,000 or more or his gross income was \$5,000 or more. Divorcees or persons separated from husband or wife by mutual agreement are classed as single persons.

The same obligation to file a return and pay the taxes rests on a resident alien, although his entire income may be derived from sources without the United States.

While forms were sent to persons who last year filed returns, failure to receive a form does not relieve an individual of his or her obligation to file a return and pay the tax on time—on or before March 15, if filed on a calendar year basis. Forms 1040A for returns of income for \$5,000 or less and 1040 for returns of income in excess of \$5,000 may be obtained at the office of Collector of Internal Revenue, Indianapolis, Indiana and the following branch offices: Terra Haute, Evansville, New Albany, Lafayette, Logansport, South Bend, Muncie, Ft. Wayne and Gary.

## SHEDS ARE CONDEMNED

A rumor has been current for some time that the big building at the corner of Jefferson and Second streets and occupied by Carroll and Son as warehouse, was condemned by the state fire marshal. Mrs. John S. Peterson, administratrix of the John W. Hale estate yesterday that the building was not condemned, but that the small sheds on the south side of the building, formerly used as coal sheds had been condemned and that they would be torn down or sold. Mrs. Peterson also stated that several deals were under way for the sale of the warehouse and lot and that in all probability a contract for the sale of the property would be closed within a short time. The building was formerly a school house.

## ENTERTAINMENT SUCCESS

The entertainment given on Tuesday evening at the St. Peter's school in the Puelling settlement by the American Lutheran League was one of the most successful ever held by the St. Peter's branch of the organization. A musical program by the male choir was a feature, and an address by Mr. Rippe, who is connected with the general secretary's office at Fort Wayne, was especially pleasing. Next Tuesday evening members of the St. Peter's league will go to Ft. Wayne to attend a meeting at the Emmaus hall on Broadway, where a special program will be given. The St. Peter's organization is one of the most active in the country.

## COMING TO DECATUR

Sunday morning, March 5, the congregation of the United Brethren will have the privilege of hearing Miss Esie Hall, general secretary of the Otterbein Guild.

Miss Hall comes with a message for all: She is an earnest, forceful speaker and will be sure to interest you. Those who have heard her are always anxious to hear her again. An invitation is extended to all who will come and hear her.

The women and girls of the local church are invited to come to the parsonage Saturday evening from 7 to 8 to meet Miss Hall. Come whether you belong to the Missionary Societies or not.

## HOLD ENGLISH SERVICES

English services will be held Sunday evening at 6:30 o'clock at the St. Peter's Lutheran church, in Root township. It is expected that the English preaching will prevail at this church each succeeding two weeks, announcement concerning which will be announced on Sunday evening by the pastor, the Rev. Muellet. Interest in the church work of that St. Peter's congregation is encouraging to the pastor and community.

## HEARD REPORT OF CONVENTION

An interesting meeting of the Rotarians was held last evening and after routine business was disposed of the meeting was turned over to J. O. Selleneyer, chairman of the March committee. Those who attended the district conference of Rotary at Indianapolis last week made a report, telling of the many attractions and excellent talks given at the convention. A luncheon was also served by the committee in charge of the meeting.

## WEATHER SUMMARY

Indianapolis, March 3.—A summary of Indiana crops and weather conditions for the week ending Tuesday, sent out by J. R. Armitage, United States meteorologist, follows:

Precipitation during the period was rather light, averaging about half the normal. Snow occurred Sunday and Sunday night and depths ranging up to 3 inches remained on the ground Monday in the northern half of the state. The remainder of the week the ground was bare. Temperatures averaged above normal. Unfavorable conditions of several weeks past were not so pronounced this week because the temperature did not fall as low. A few correspondents even reported improvements in the condition of winter crops. Most fields are too muddy to enter, but sowing grass seed, manure hauling, cleaning, and even a little plowing are in progress where conditions permit. Maple sugar is being harvested and fruit orchards pruned and sprayed. Fruit buds are considered safe, but high temperatures in the southern half on the 22nd and 23rd caused them to swell appreciably.

Traffic and freezing and thawing weather have roughened road surfaces. Conditions are worse in the southern half of the state. Improved highways are fair to good and unimproved rough and muddy.

## CONSOLIDATION VS. ONE ROOM SCHOOL

It is said "that a word to the wise is sufficient." If this were only the case with trustees of country schools. If they were wise one word would be enough—Consolidate.

Root township is to be congratulated on having a progressive man who works and wishes for consolidation of the country schools. If the people are awake to their own interests and future welfare, they will heartily cooperate and great and lasting good will be the result. No greater monument can be erected to the memory of any man or to the people or tax payer's of any community than the building of a consolidated school from which education, refinement, and culture shine forth as the rays of the sun. This is the liberty that really enlightens the world.

A stranger going into a community having such a school with improved highways needs no introduction to the people.

A farmer from Illinois came to this state to look over a few farms in the view to purchasing one. But when he saw the one room school his children would have to attend he said "no" emphatically.

Consolidated schools and good roads bring a good class of people which make good citizens. A CITIZEN.

## ZION LUTHERAN CHURCH

Zion Lutheran church notice. Rev. W. Diederich of Ft. Wayne will have charge of English services Sunday. The members of the church will remain after these services for important meeting. There will be no Lenten service this eve on account of illness of pastor.

A. W. HINZ, Pastor.

Michael J. Flaugh of Hoagland was in the city on business this morning. Mr. and Mrs. Herman Uhlman stopped in Decatur this morning.

## Get Into The Big-Paying Oil Business— We Start You

Hundreds of men are making big incomes supplying lubricating oil to owners of autos, trucks and tractors. A big-profit cash business with lots of repeat orders. Start in backyard garage or small space anywhere. No big investment. Experience not needed—we teach you and supply everything, including your letter-heads. An unusual opportunity for one man in each town to get into business for himself.

## MARKETS-STOCKS

### Daily Report of Local and Foreign Markets.

New York Stock Exchange  
New York, Mar. 3.—The New York stock exchange was active in the first few minutes of trading today.

Independent Steels, in which a large short interest has been built up since the passing of Republic preferred dividend were among the leaders in point of strength. Gulf States made an early high at 75 and Crucible at 58 was up about 6 points from the low of the last ten days.

While the first sale of steel common was unchanged at 95, the stock then sold at 95% or equivalent to 96% with the dividend on. Chandler made a new high for the year shortly after the opening at 74%.

Sugar held around Thursday's high. Missouri Pacific issues, which led the rails at the previous session were fractionally higher.

Old line investment stocks were all strong in early trading. Consolidated gas, Western Union and American Telephone and Telegraph were among the features of this group. There was heavy selling of Transcontinental oil which carried the stock off 1 1/2 points to 7 1/2.

By selling at 99 Consolidated Gas reached its highest figure since October 1920. Today's price is an advance of 14 points over a low of \$5 recorded early last month.

Copper stocks were firm. Producers are looking for a rise in copper prices from the current level of 12 1/2 a pound.

U. S. Rubber and Kelly Springfield both made new highs for the year. It is expected advance in tire prices will be made by leading tire concerns during the next few weeks.

Mexican Petroleum was easily the feature among oil stocks with a high at 126. There is no let up in the big Toteoco-Cerro Azul pool which is running close to a half million barrels daily.

Persistent strength in Missouri Pacific preferred leads to the belief the company this year will endeavor to wipe out some of the four year accumulation of dividends on this stock.

The bond market was unusually active and gives promise of being a big day for interest bearing issues. In the first hour more than \$5,000,000 par value changed hands.

The foreign government issues were stronger. Rails were irregular and tractions higher.
