### Have You a Hot Water Supply in Your Home?

Before investing in a water heating appliance let us tell you about the Ruud Automatic, a heater that furnishes steamy hot water in any quantity day or night. Automatically lights the gas and turns it off—gas burns only while hot water faucet is open. Last thing in efficiency and economy. Ask us about it.

## No Laundry Marks!

The old fashioned, unsanitary way of wash-  
ing everybody's clothes together involved some  
means of identification—hence the unsightly  
marks in the corners.

We wash every patrons clothes separately,  
thus doing away with disfiguring marks. Just  
another proof of our superiority!
