Old Friends are Best

The Best
Outdoor Overshoe
- and why!

That is a strong statement to make. Let's see if it will hold water.

The Kattle King sole is extra heavy, of tough tire tread stock, and gives exceptionally long wear under the hardest usage. The durable all-rubber uppers are backed by a layer of rubberized cloth, another layer of rubber coated cloth, and finally a heavy brown fleece lining which extends clear to the sole. This means warmth as well as wear. There are ample reinforcements wherever a strain comes, and all is joined together to stay by the Hood Pressure Process.

So much for long wearing qualities—which means economy. The Kattle King is easily cleaned and retains no odors. It sheds water—feet as dry at night as when starting out in the morning. Uppers do not freeze or crack. The Kattle King is comfortable to wear. There are other points, but these are the big reasons why we honestly believe the Kattle King is the best outdoor overshoe.

John Grah, 2539 Jackson Ave., New Orleans, La., writes: "My kidneys were weak and had a soreness and dull pain across my back. I felt dull and languid and my kidneys didn't act right. I began taking Foley Kidney Pills and they soon put my kidneys in a sound healthy condition." Foley Kidney Pills help the kidneys rid the system of acids and waste that cause lameness, backache, sore muscles, swollen joints and rheumatic pains. Tonic in effect, quick in action.

BERNE NEWS

The marriage of Miss Martha Sprunger to Herman Hirsch was performed yesterday afternoon at two o'clock. The affair was a pretty church wedding which was solemnized at the Mennonite church in the presence of a large number of friends and relatives. Rev. P. R. Schroeder, pastor of the Mennonite church, performed the ceremony. The bridal couple were attended by the bride's brother and his wife, Mr. and Mrs. Martin F. Sprunger. The day was of double importance to the bridegroom; as it was his twenty-first birthday as well as his wedding day. The bride is a daughter of Mr. and Mrs. Simon Sprunger of Monroe township and has during the past few years been employed as a seamstress at the Berne Overall and Shirt Co. She will continue her duties at that place for some time. Mr. Hirsch is the son of Mrs. Lucy Hirsch of East Water St. He has for a number of years also been employed at the Berne Overall & Shirt Co., where he is shipping clerk. The young couple will make their future home with Mrs. Hirsch's aunt, Mrs. Jacob Reusser on Waterstreet.

Mr. and Mrs. Ira D. Rohrer and children of Ft. Wayne returned to Ft. Wayne this afternoon after spending Sunday at the Fred Rohrer and Chas. Brauns homes.

Mrs. Anna Adler of Decatur was an over Sunday visitor at the Lewis Sprunger home.

Melvin Hirsch, the assistant postmaster, is on the sick list today.

Mr. and Mrs. Chas. Martz and son, Don of Ft. Wayne were visitors in Berne yesterday.

Rev. Wm. Egle left this morning to visit with his sister, Mrs. Ulrich at Meadows, Ill. Mrs. Ulrich is reported to be very sick.

GOOD FOR THAT "FLU" COUGH
For quick relief from the wearing coughs that "hang on" after the grippe or influenza, take Foley's Honey & Tar. Mrs. K. D. Drake, Childs, Mr. writes: "After an attack of the flu that left me with a severe cough nothing seemed to relieve me till I tried Foley's Honey & Tar, which I can highly recommend." It is also good for croup, whooping cough and colds. It puts a soothing healing coating over the inflamed surfaces, cuts the phlegm, eases hoarseness, clears the air passages.

FEW FOLKS HAVE
GRAY HAIR NOW

Well-Known Local Druggist Says
everybody is using old-time recipe
of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears—but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifying the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

WAS A BROKEN-
DOWN WOMAN

Then I Began Taking Lydia E.
Pinkham's Medicines

Donaldsonville, La.—"I write with pleasure to praise your medicine—Lydia E. Pinkham's Vegetable Compound—which has done so much to restore my health. I was a broken-down woman until my husband brought me a bottle of your Vegetable Compound and one of Lydia E. Pinkham's Blood Medicine. I had been having pains every month and at intervals between, was weak and seemed to be smothering at times, but in a week I felt like another woman. I also used Lydia E. Pinkham's Sanative Wash. It did me a lot of good too. I cannot praise your medicines too much and will be more than glad to recommend them to any woman who is suffering from female troubles. You may print my testimonial, as it is true."—Mrs. T. A. Landry, 612 Miss. St., Donaldsonville, La.

Note Mrs. Landry's words—"as it is true." Every letter recommending Lydia E. Pinkham's Vegetable Compound is genuine. It is a statement telling the merits of these medicines just as the women in your own neighborhood tell each other about them. For fifty years Lydia E. Pinkham's Vegetable Compound has sold on merit.
