VOTE IN MAINE TODAY

Augusta, Me., March 20.—Political eyes of the east were focused on Maine today when the third district voted in the first test of strength between Republicans and Democrats since 1920.

The district always has been strongly republican. Democrats have waged a strong fight this year.

TROOPS TO RETURN

Washington, Mar. 20—(SPECIAL to Daily Democrat)—President Harding has directed the return of all American troops from Germany, Secretary of War Weeks announced today.

The American forces will be gradually withdrawn at the present rate until they are all returned to this country and it is the plan that the last soldiers will be brought back to this country by the end of the fiscal year or before July 1.

Secretary of War Weeks in a formal statement declared that the gradual withdrawal of the American troops now being carried out will be continued until the entire force has been returned.

Weeks stated that the ordering of the evacuation has no connection with the provision in the pending army appropriation bill limiting the forces in Europe to 500.
