EASY TO DARKEN YOUR GRAY HAIR

Try This! Brush Sage Tea and Sulphur Compound Through Your Hair, Taking One Strand at a Time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Weyth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur Compound and look years younger.

MARKETS-STOCKS

Daily Report of Local and Foreign Markets.

New York Stock Exchange
New York, April 28—Improvement in the situation at Genoa and declaration of a regular Bethlehem Steel dividend gave the market a better tone at the opening and prices in the industrial list showed advances over the previous close.

Bethlehem B opened 3/4 up to 77 3/4, Mexican Petroleum 1/2 to 129; Chandler 1/4 to 73 1/4; Midvale 3/4, up 1; Baldwin 11 1/4 up 1/4; Industrial Alcohol at 50 1/2, up 3/4.

Rails continued to reflect talk of great reductions and failed to participate in the improvement shown by Industrials.

Advances in industrials marked the first hour of trading on the New York stock exchange today and recoveries of a point or more were scored by speculative leaders. Mexican Petroleum led the beneficial effects of the news from Mexico City, gaining 1 1/2 to 129 1/2. If the Mexican government does not insist on claiming soil rights on acreage purchases before May 1, negotiations looking toward further exploitation of undeveloped territory of American interests are expected to lead to highly constructive developments. Steelmaker reflected the imminence of the directors meeting in South Bend tomorrow at which a favorable earnings statement will be issued, by recovering 1 1/2 to 119 1/2. Steel Common rallied 1/2 to 97 1/2; Baldwin 1/2 to 115 and Coaden 5/8 to 43 1/2. Industrial Alcohol moved up 1/4 to 51 on reports of pending developments in connection with the company's Alco-Gas product.
