NOTICE TO VOTERS

Because of the duties of my office I find it will be impossible for me to see all the voters of Washington township. I am a candidate for Township Assessor and want to assure each democratic voter that I will appreciate your support next Tuesday. If elected I promise my best efforts at all times to serve you.

WHY WOMEN GET DESPONDENT

Are not women naturally as light-hearted, brave and hopeful as men? Yes, certainly; but a woman's organism is essentially different from man's—more delicate, more sensitive and more exacting. Women in delicate health are more dependent, more nervous, more irritable and more despondent. When a woman develops nervousness, sleeplessness, backaches, headaches, dragging-down pains and melancholia she should lose no time in giving Lydia E. Pinkham's Vegetable Compound a fair trial, as it will quickly dispel such troubles. This root and herb medicine contains no drugs and has been the standby of American womanhood for nearly fifty years.

COLORED MAN WHO WAS SLAVE PRIOR TO CIVIL WAR, DIES

Columbus, April 28—The only resident in this county who was a slave prior to the Civil war died here recently.

He was 'Uncle Joe' Patterson, colored, at least 83, but said he could recall the stirring days of 1846-48—the dates of the war with Mexico.

"Uncle" Joe was 22 at the outbreak of the Civil war.
