**TO THE DEMOCRATIC VOTERS OF ADAMS COUNTY.**  
Owing to the condition of roads and weather, I have been unable to see many Democrat Voters: I have made my canvass as best I could. To all of those whom I have not seen as well as those I have seen I earnestly ask your support on next Tuesday. I have had seven years experience in the practice of the law, and feel that I will be able to prosecute the ordinary state case without asking assistance and making extra expense to the tax payers.

I wish to at this time thank the people for the favorable way in which my candidacy has been received.

I will be thankful to the Democratic women and men for their support.  
Respectfully,  
A. C. BUTCHER.  
Candidate for Prosecuting Attorney.

### FORMAL PROTEST FILED

Mayor Huber DeVoss has sent a formal protest to the Public Service commission of Indiana, against the auditing of the books of the water works department for a period further back than would be necessary to get the amounts or figures pertaining to the operation of the department in the establishing of a rate for the water department. Accountants Bledsoe and McGregor of the Public Service commission arrived in the city yesterday and are now going over the books. It is not known how long it will take to complete the job. The audit is being made preparatory to establishing a schedule of charges for the water department. In the meantime the old rates will be continued. It was stated yesterday that the audit of the books would go back to 1895, when the Municipal plant was established and to this act the protest is made.

Jim Hendricks of Monroe transacted business in Decatur this morning.
