

Miss Marguerite K. O'Leary, of Reading, Pa., who says she has gained eight pounds and can hardly find words to express her praise for Tanlac for the good the medicine did her.

"I am so happy over what Tanlac has done for me I can hardly find words to express my praise," said Miss Marguerite K. O'Leary, who lives with her parents at 223 Chestnut St., Reading, Pa. "I wasn't exactly what would be called sick, but for a year I had been all run down and sometimes felt so weak and miserable I could hardly hold up by head. I was so nervous the telephone bell or a door closing would startle me so I would tremble like a leaf."

"I needed something to build me up and give me strength and energy, and that is exactly what Tanlac did. It gave me a fine appetite and improved my digestion. I gained eight pounds, the color came back to my face, my nerves became normal and I soon felt as well as I ever did in my life. It is simply wonderful that medicine could make such a big change in any one. My friends and neighbors are surprised when they see me now, and no wonder, for I look like a different person. Tanlac is grand and I never intend to miss a chance to say a good word about it."

Tanlac is sold in Decatur by Smith, Yager & Falk's and by leading druggists everywhere.

Powell's homer in the ninth gave the Braves a 4 to 3 win over the Robins.

The Reds got to Doak for 4 runs in the eighth inning but the Cards won, 8 to 5.

The Pirates pounded Alexander, Jones and Cheever hard and beat the Cubs, 11 to 5.

Sam Jones let the Senators down with two hits and the Yanks won, 8 to 1. Not a Washington runner got on base in the first seven innings. Joe Wood got three doubles and a single out of sixteen hits the Indians made but the Browns won, 10 to 7. Severis and Jacobson each hit triples with runners on.

TROOPS RUSHED TO QUELL RIOT

Race Disturbances Occur in Texas After Lynching Of Four Negroes

Two detachments of Texas rangers were rushed to Kirvin today following an outbreak of race disturbances.

Fredrick Green, a negro, was lynched today the fourth to die by mob action since the assault and murder of pretty 17 year-old Eula Ausley here last Thursday.

Gov. Neff today ordered two detachments of Texas rangers to Fairfield, county seat of Freestone county, immediately to prevent an uprising by negroes that sheriff Mayo declared imminent.

Mayo said negroes of Freestone county threatened to avenge the death of three negroes burned at stake at Kirvin Saturday for the assault and murder of Miss Eula Ausley, 17, a pretty school girl.

Capt. Frank Hamer of Ranger headquarters company at Austin, will leave at once for Fairfield with one detachment of Rangers. The other detachment is to come from Ft. Worth under command of Capt. Tom Mickman.

NEW DEAN PICTURE

"Reputation," the Universay super-ature which is to be shown at the Crystal Theatre tomorrow and Wednesday will establish Priscilla Dean as the foremost emotional actress of the screen. This is the opinion of reviewers in other cities who have seen her production and who say that it exceeds even "The Virgin of Stamboul" and "Outside the Law," Universal's recent pictures with the same star.

"Reputation" was filmed at Universal City under the direction of Stuart Eaton. It is based on "False Colors," the sensational novel by Edwina Lewis. The screen adaptation was by Ancien Hubbard, Universal scenario editor, in collaboration with Doris Schroeder.

Niles Welch, Madge Hunt, Rex de Roselli, Spottiswoode Aitken, William Welsh, Harry Carter, Harry Van Meter, Mae Giraci, Al Garcia, James McLaughlin, Kathleen Myers, Joey McCreery and many other accomplished artists play the principal roles in the supporting cast.

Gorgeous spectacles and magnificent scenes follow each other in rapid succession, alternating with humble and sordid backgrounds to give the story its striking contrasts. Scenes behind the footlights, a performance of a big dramatic success in a Broadway playhouse and a series of incidents which range from episodes in a small town orphanage to a Babylonian feast in a London palace provide constant surprises in every reel.

LENIENCY WAS SHOWN TO BOYS IN COURT HERE

them much good advice and secured their promises to refrain from committing additional offenses after their sentence had been served and to be model prisoners while serving their sentences. Judge Moran gave them their sentence and fine. The boys appeared very repentive for their crime and grateful to the court for the leniency shown to them. The sentence passed on the boys was very lenient as they could have been given a sentence in the state penitentiary for not less than five years for burglary.

MARKETS-STOCKS

Daily Report of Local and Foreign Markets.

New York Stock Exchange
New York, May 8—Concentrated selling was employed by professional in the first half hour to unsettle prices on the New York stock exchange today but these tactics had little effect other than to depress stocks on which pressure was exerted. Baldwin broke to 115½ against last week's close of 118. Studebaker was pushed below 119. Mexican Petroleum below 129 and Steel Common below 98 but losses in the list as a whole were comparatively negligible.

New York, May 8—10:30—Apparent effect of commission houses than by the distributors news from Genoa, prices were irregular at the opening of the New York stock exchange today.

Speculative leaders like steel common, Studebaker and Mexican Petroleum, showed fractional recessions on the initial transactions and lost further ground in the first fifteen minutes.

Despite the tendency towards heaviness in the industrial group, the rails were firmer and a number of specialties were strong. Julius Kayser advanced ¾ to 46, the high for the move.
