

BE PRETTY! TURN GRAY HAIR DARK

Look Young! Nobody Can Tell If You
Use Grandmother's Simple Recipe
of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old receipt, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by mopping the gray hair disappears, and after another application or two your hair becomes beautifully dark, glossy and attractive.

Washington, May 11—Senator Hiram Johnson, California, today urged the senate judiciary committee to speed action on his proposed constitutional amendment to give congress control over campaign expenditures of senators.

The ruling of Attorney General Daugherty that senatorial candidates do not have to file expense accounts because of the supreme court action in the Newberry case, can be remedied only by a constitutional amendment, Johnson declared.

Washington, May 11—President Harding today nominated Gov. Robert A. Cooper of South Carolina to fill the vacancy on the Federal Farm Loan board created by the resignation of Asbury F. Lever of South Carolina.

Washington, May 11—Senate leaders today took up the tariff grind again, weary and failing to see the end of the long road.

Congress is in a legislative jam. This jam threatens to prevent enactment of tariff legislation, on which congress has now been at work for more than a year.

Necessity for passing the army and navy appropriation bills by July 1, is causing tariff leaders the greatest worry. Democrats are fighting the tariff inch by inch. Even the resort to night sessions, begun last night, apparently had little effect.

Chicago, May 11—May wheat advanced seven cents on the Chicago board of trade today. The advance was explained as largely due to heavy deliveries on contracts by traders. Unfavorable weather and crop report buying of all grains was heavy. Export buying of all grains was heavy.

Terre Haute, Ind., May 11—John Burham, 50, fought off two bandits with a chair to prevent them from stealing \$700 in currency and several hundred dollars in checks from his shanty on the edge of town here last night, is in a serious condition here today. He was shot three times in the left leg by the robbers who escaped before the police arrived.

LARGE NUMBER OF RAILROAD EMPLOYEES WERE RETURNED TO U. S. JURISDICTION TODAY

Chicago, May 13.—(Special to Daily Democrat)—Approximately 150,000 railway employees were returned to jurisdiction of the United States railroad labor board today by the board's action in declaring the railroad contract system illegal.

The contract or "farming out" system gave control of railroad shops to independent contractors removing men from the board's jurisdiction.

Contractors paid lower wages than rates prescribed by the board. Members of the board declared that if the railroads could legally use the contract system, the entire transportation act could be defied.

Allen Claims to End Rheumatism

ALLENHUR relieves at once. One bottle—a full pint—will show you the way to complete recovery of your rheumatism. It is a remedy that will rid you of the disease.

Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It is marvelous how quickly it acts. Pained relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a week.

Mr. James H. Allen, of Congress Avenue, Rochester, N. Y., the discoverer of ALLENHUR, who for many years suffered the tortures of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless ALLENHUR shows immediate results, and he has instructed druggists to guarantee one full pint bottle in every instance.

JUST GOT OVER A COLD?

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Decatur woman says:

Mrs. Frank Bogner, 1104 W. Monroe St., says: "I can say that Doan's Kidney Pills is a most excellent remedy because I have used them. Whenever I have caught cold my kidneys would become disordered. My back would get sore and stiff and sharp twinges would go through me when I would get up from a chair. I suffered a great deal before I used Doan's Kidney Pills. They soon put a stop to the trouble. It has now been some time since I have needed a kidney remedy." (Statement given Nov. 7, 1915.)

On Oct. 23, 1920, Mrs. Bogner said: "I have had very little trouble with my kidneys of late. Occasionally I use Doan's for slight attacks and they always give prompt relief."

MRS. HATFIELD SABINA, OHIO

In Pitable Condition when she Began
Taking Lydia E. Pinkham's
Vegetable Compound

Sabina, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound for weakness and irregularity. I was weak and nervous and could hardly stand on my feet long enough to cook a meal. I was this way for about a year and had tried several medicines and had a physician, but to no avail. My sister was taking your medicine and finally induced me to try it. I now feel fine and can do my housework without any trouble at all. You can use this letter for the sake of others if you wish."—Mrs. WELDON G. HATFIELD, R. R. 3, Sabina, Ohio.

Housewives make a great mistake in allowing themselves to become weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties.

Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, backache, weakness and irregularity. It will help you and prevent more serious trouble. Give it a fair trial. It surely helped Mrs. Hatfield, just as it has many, many other women.
