

## How's Your Appetite?

If it isn't good, try  
Yeast Foam Tablets

Do you sit down to your meals without any appetite—and nibble away at food that never seems to taste just right?

Lack of appetite indicates a disordered digestion which is often due to foods lacking an essential element, *vitamin*.

Vitamin B, which is indispensable to a normal appetite and perfect digestion, is found in abundance in the new, pure, concentrated yeast, *Yeast Foam Tablets*.

By supplying this vitamin, which so many foods lack, these tiny tablets stimulate the appetite, aid digestion, enable you to get strength and energy from the food you eat and thus rebuild the sick tissues and tone up the whole body.

Yeast Foam Tablets are sold by all druggists; get your package today. Northwestern Yeast Co., Chicago.

### Three Important Considerations

Safety, efficiency and long life are the principal features of gas appliances upon which we base our approval, before offering them for sale. The appliances must successfully pass our stringent laboratory tests in regard to design, material and construction. In addition to this, we handle only appliances which are built according to American Gas association specifications, guaranteed for Durability, Service and Lowest possible gas consumption.

### JUST LIKE A GEYSER

If you have an automatic Gas Water Heater, you're assured of as constant a hot water supply as if you were drawing the water from one of those ever-spouting geysers out in Yellowstone Park.

A little pilot light burns all the time. When you turn the hot water faucet, the gas at the burners is automatically turned on and ignited from the pilot. The water is heated instantly as it flows through the copper coil. Turning off the faucet automatically shuts off the gas. An unfailing, inexhaustible and economical hot water service.

### PURDUE MAN TO GIVE TALK HERE

(Continued from page one)  
reducing this enormous loss it will be worth your while to attend the meeting. If you have any questions concerning weeds, bring them along.

Mr. Hansen will also explain the new Indiana Seed Law, particularly as the law affects the farmer. Do you know under what condition you can sell seed without labels? Do you know how to use the information contained on the tags now required on all seed sold in one pound lots or larger? These and many other questions will be answered by Mr. Hansen. A clear understanding of the seed law will be worth many dollars to the average farmer.

## YOUNG MOTHER NOW STRONG

Her Mother's Faith in Lydia E. Pinkham's Vegetable Compound Led Her To Try It

Kenosha, Wisconsin.—"I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound. My mother had great faith in it as she had taken so much of it and when I had trouble after my baby was born she gave it to me. It helped me so much more than anything else had done that I advise all women with female trouble to give it a fair trial and I am sure they will feel as I do about it.—Mrs. FRED. P. HANSEN, 562 Symonds St., Kenosha, Wisconsin.

A medicine that has been in use nearly fifty years and that receives the praise and commendation of mothers and grandmothers is worth your consideration.

If you are suffering from troubles that sometimes follow child-birth bear in mind that Lydia E. Pinkham's Vegetable Compound is a woman's medicine. It is especially adapted to correct such troubles.

The letters we publish ought to convince you; ask some of your women friends or neighbors—they know its worth. You will, too, if you give it a fair trial.

### Judge Makes Erroneous Prediction Regarding Lawyer

"About one clean shirt is all I thought he would ever wear. He had fallen away to a mere shadow; was as yellow as saffron and often doubled up with pain. Doctors continually gave him morphine and were about to operate for gall stones. May's Wonderful Remedy quickly restored him to perfect health again." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded.

### GIRL WILL ATTEMPT TO SWIM CHANNEL

(United Press Service).  
London, May 13.—A girl of nineteen Miss Ivy Hawkes, has announced that she will attempt to swim the English Channel later in the year, probably in August or September.

Her record for long distance swimming is a remarkable one, and it is believed that her chance for success is better than that of any of the other women who have tried to accomplish what only two men have been able to accomplish.

When she was only fifteen years of age, Miss Hawkes was the winner in the Thames long distance competition, swimming from Surbiton to Kew Bridge, a distance of 8 miles, 3 furlongs, in 5 hours, 38 minutes, 13.15 seconds. The following year she won the competition again from eighteen competitors, swimming 11.4 miles in 6 hours, 25 minutes.

Last year she beat all her previous records when she attempted, although unsuccessfully, to beat the ladies' world's long distance record established by Miss Eileen Lee in 1916. In this attempt she swam 25 miles in 12 1/2 hours.

## MONROE NEWS

Born to Mr. and Mrs. Menes Lehman, a fine eight pound boy.

Mr. and Mrs. Lon Blowers and children of Portland, were visitors at the home of Mrs. Martha Pogue Sunday. Rev. John Phillips of South Whitley, was here several days last week on business.

Monroe had its first tent show of the season Saturday. The "Cowboy Swede" was the title of the play. A fair sized crowd attended. This aggregation was organized at Anderson, and was clean and a clever lot of people. They left here Sunday for New Haven.

A farewell party was given in honor of Miss Mary Parrish on Saturday evening at the Methodist parsonage by about twenty five of her young friends and classmates. An excellent six o'clock dinner was served by the host and hostess, Rev. and Mrs. Zechiel. The parsonage was beautifully decorated with the class colors, red and white. The event was a most joyous one, but all regretted to lose one of their classmates of the public schools, Sunday school and Epworth league and on their departure wished Mary success and prosperity at her new home, Sturgis, Michigan, where she goes in a few days to reside.

Mother's Day will long be remembered in Monroe. The large Methodist church was crowded for the morning services at 10:30 o'clock. All members of the congregation wore the white or red flower in honor of mother. The services were in the hands of mothers who rendered a fine program appropriate on such an occasion, by delivering talks on "Mother" which were truly to the point and should be followed by our mothers of today. This service was something new to our people, and was most inspiring, as it was direct from mothers who gave some good, wholesome advice as to the mothers of children and how to make ideal Christian men and women of their sons and daughters.

The Mother's Day program was given as follows: "Mother and her Daughter," by Mrs. E. W. Busche, who in her talk gave much food for thought and admonished the mother to endeavor to make a good Christian woman of her daughter, and to constantly guard her from the allurements surrounding the young girls of today. Mrs. Busche, in her talk dwelt at length on the cigarette smoking by our young boys and girls, and it was evident by her talk that she was greatly adverse and abhorred by this obnoxious habit especially among the young girls of today. "Mother in the community," by Mrs. M. F. Parrish, was an excellent address on that subject, showing the benefits derived from a good Christian mother in the community and what good such a mother can do and the amount of influence such a mother has on those surrounding her.

Duet—Mrs. E. W. Busche and Mrs. R. L. Shirk.

Duet—Mrs. Ollie Heller and Mrs. S. I. Zechiel.

Ladies Quartette which gave several numbers on the program was composed of Mrs. J. E. Nelson, Mrs. John Johnson, Mrs. E. W. Busche, and Mrs. Ollie Heller. Mrs. O. L. Heller gave an excellent reading entitled, "The Faraway Country," which was a masterly selection.

Evening Services.  
The evening service was conducted by the Junior League. A new innovation was that which was never before in the history of the Monroe Methodist church, that of graduating a class of 17 young boys and girls from the Junior to the Senior Epworth League. This was an epoch long to be remembered by the graduating class to receive these honors and diplomas. After a course of examination by Mrs. Zechiel, their instructor, interspersed by several songs, and addressed by the graduates, Rev. Zechiel stepped to the rostrum, and in a very appropriate short address to the young people, in which he complimented them and on the good progress and diligent work accomplished during the past year, presented each pupil with diplomas. Mr. C. I. Aurand, in a few remarks, accepted the members of the graduating Junior League class as members of the Epworth League and extended to them a hearty welcome. This occasion, both Mother's Day and the Junior League, means much to our people and many good inspiring lessons can be derived, if only taken to heart. For instance the heart to heart talk made to the mother as to her daughter, given by Mrs. E. W. Busche on Sunday morning.
