

SPORT NEWS

WATCHING THE SCOREBOARD

(United Press Service). Yesterday's hero—George Murray, rookie pitcher of the Yanks, hit a homer with two on and won his own game from the Indians, 6 to 4. Frank Baker also hit one.

Tilly Walker's four-base clout in the thirteenth inning with one on gave the Athletics four straight off the White Sox by a score of 3 to 1.

Two errors by McManus on easy rollers started a rally which gave the Red Sox four runs in the 9th inning and a 4 to 3 victory over the Browns.

Hornsby, Smith and Torfcorer hit homers and helped the Cards murder the Robins, 11 to 0.

Bunched hits and passes in the fourth inning gave the Cubs five runs and a 6 to 3 victory over the Braves. Excellent support behind Donahue's great pitching enabled the Reds to beat the Phils, 1 to 0.

TRY TO INJECT WET-DRY ISSUE

Liberals in House Hope to Force Vote on Light Wine and Beer

By Laurence M. Benedict (United Press Staff Correspondent) Washington, May 18.—(Special to Daily Democrat)—Liberals in the house joined hands today in a vigorous campaign to inject the wet and dry issue into this fall's elections.

Their hope is to force a vote in the house, and perhaps also in the senate on the proposition of legalizing light wines and 2.75 percent beer, so that people over the country will know just where the 1922 edition of congressional candidates stand on "Volsteadism" and can "swat" accordingly.

The fight for a wet-dry vote in the house will center around a bill introduced by representative Hill, Maryland, republican, giving each congressional district local option this fall on the manufacture of beer and wines, to be used only in homes and taxed at 20 cents a gallon.

Petitions asking the house Ways and Means committee to conduct early hearings on the bill, and report to the house for a vote were put in circulation among house members today by Hill and other "liberals." Hill said he was confident that from fifty to 100 members would sign the petition and either number would be sufficient, in the case of any ordinary legislation, to force not only committee consideration but action on the floor as well.

Hill said he estimated on the basis of two billion gallons of beer produced in 1914 that the tax his bill would put on beer would yield the government \$400,000,000 a year and that another 100,000,000 would be raised by the tax on wines.

FAST FREIGHT EUROPE BOUND

Shipment of Freight from Chicago to Europe in a Week is Object

(United Press Service). Chicago, May 18.—(Special to Daily Democrat)—Freight shipment from Chicago to Europe in a week was the object of a special train which pulled out for New York at 1:30 a. m. today.

The train was given a clear track on the New York Central with orders to reach New York before 1 a. m. Saturday for loading of the shipment on board the Majestic, World's largest liner. The ocean trip is expected to take five days.

The train, composed of forty cars loaded with products of Morris and Company, packers, was arranged by the Chicago association of commerce in an effort to overcome difficulties of sale of Chicago and midwest manufactured goods overseas.

Ordinary time for freight shipment from Chicago to England is three to four weeks.

ENTERTAINED BRIDGE CLUB

Mrs. Harold Conroy entertained the Bridge Club at her home at 330 North Second street last night. Prizes were awarded to Mrs. Herbert Kern, Mrs. Leah Ehinger and Mrs. Zurbangh. A very enjoyable evening was spent.

COAL OPERATORS IN CONFERENCE

Coal Operators Are Asked by Hoover Not to Gouge The Public

(United Press Service). Washington, May 18.—(Special to Daily Democrat)—Secretary of Commerce Hoover today called upon the coal producers of the country not to take advantage of the coal strike to "gouge" the public.

In opening the conference of operators here Hoover said the government did not possess the power to regulate the disposal and price of coal, stating that any action along those lines must be voluntarily on the part of the operators.

Those attending the conference operate non-union mines.

"The questions for discussion here are measures to be taken to regulate distribution and prices, and to prevent speculation and undue competition in coal," Hoover said. "There is no law empowering the government to settle the question. You were called here to co-operate in this matter for the public good and for the good of the operators."

The government will assist in every way possible, Hoover said. "I am not laying down the law," Hoover said as he gave the conference what he termed a rough outline of meeting the situation.

He proposed the selection of a committee in each district to act as a clearing house for all orders coming into these districts. These orders would be allotted by the committees to insure a continuous supply to the industries. Hoover also suggested that the coal operators appoint a committee to sit in Washington to act as a super clearing house. He also suggested that the railroads appoint a committee of their own in Washington with authority to purchase and direct orders for railroad coal. Public utilities and steel concerns also were urged to organize committees in Washington for the same purpose. In that way practically all of the big consumers of coal would have direct contact with the operators.

CLASS DAY WAS OBSERVED TODAY

Rain Kept Many People from Attending Annual Exercises

Rain interfered with the annual class day exercises of the high school which were held in the gymnasium this morning, to the extent of keeping many visitors away, but the students had a very enjoyable time. The gymnasium was decorated in the various class colors and the purple and gold of Decatur high school. The four classes were arranged in different sections of the building. The exercises were opened by all classes singing "D. H. S."

The Freshman class was given the first period for their songs and stunts. Don Hunsicker, president of the class, made a speech, and several songs and stunts were given. When the Freshmen had finished, the Sophomores were given the floor. Their president, Helen Kocher made a very good speech and then all the members of the class joined in giving stunts and singing class songs.

James Downs, president of the Junior class, represented his class in oratory and gave a fine speech. The Juniors also "pulled" several clever stunts, in addition to singing their class songs.

Much of the time was given over to the Seniors as this was mainly their day. Lawrence Linn, class president delivered a fine speech. The class history was read by Germaine Christen and the class prophecy by Veronica Anker. Margaret Moran read the class will. Stunts of the Seniors were characteristic of their four years in high school and were very good. They sang several class songs and gave their class yells.

Members of the Senior class presented an electric grill to Miss Maude Howard, domestic science teacher and the guardian of the class. Miss Howard will be married soon to Mr. John Baumgartner.

The Class Day exercises were closed with several high school songs sung by all of the classes.

CHILDREN IN SPRING TIME

Mrs. C. Osborn, 7812 Hillside Rd., Cleveland, O., writes: "My granddaughter was troubled with a cough for nearly two years. She took Foley's Honey and Tar and her cough is now gone. It loosened the phlegm so she could raise it easily." Foley's Honey and Tar is just what children should have for feverish colds, coughs, "snuffles" and tight, wheezy breathing. Be sure to get Foley's. It checks croup and whooping cough, too. Sold everywhere.

TELEPHONE STOCKHOLDERS

The American Telephone and Telegraph Company has 201,000 stockholders on record, more than any other company in the world. It continues to beat its own record, adding to the list at the rate of approximately 3,000 monthly.

On December 31, 1921, there were 186,342 shareholders, an increase of 46,894 for the year.

Average holding is 28 shares, the lowest on record, showing a broader distribution of its stock than ever before.

In 1906 there were only 18,194 stockholders, with an average holding of 72 shares.

At the present rate of increase it would not be surprising if at the end of 1922 the company had a quarter of a million holders on record. The above figures do not take into consideration the 100,000 employees who are paying off subscriptions to the stock. Most of these will be holders of record when payments are complete.

Dr. L. E. Sommers of Monroe was a business visitor in this city this afternoon.

SENIORS FINISH WORK TOMORROW

Annual Commencement Program to Be Held in Gym Friday Night

Plans are complete for the annual commencement exercises of the local high school to be held in the Athletic Hall, beginning at 8 o'clock. The Hon. Charles Watkins, of Muncie, will deliver the commencement address, and his subject will be "The Inspiration of a Successful Achievement." Mr. Watkins is a talented orator and has delivered addresses in this city on two previous occasions. He is a past district governor of Indiana Rotary Clubs.

Seats will be reserved in the gymnasium for the parents of the graduates only, it was announced by the school officials today. The admission price will be twenty-five cents.

The Paul Spiegel orchestra of Fort Wayne will furnish music for the commencement. The glee clubs and chorus of the high school will sing several numbers.

Following the commencement exercises the annual senior reception will be held in the Masonic hall. This reception will bring to an end a glorious commencement week which began with the Junior reception on last Friday night.

LOSE FUNERAL THIS MORNING

Funeral services for John Theodore Lose were held from the St. Mary's Catholic church at 9 o'clock this morning, attended by a large crowd. The members of the Knights of Columbus lodge attended the funeral in a body. Burial was held in the St. Joseph cemetery. Mr. Lose died at his home here at 7:20 o'clock last Monday evening.

MRS. F. F. GREGG DEAD AT GENEVA

Death Claimed Third Victim Within Past Week at Geneva Yesterday

Geneva, May 18.—(Special to Daily Democrat)—Death has claimed three residents of Geneva in the past week, its last victim being Mrs. F. F. Gregg, who passed away at her home on South Main street Wednesday afternoon at 4:30 o'clock. She had not been well for some time, as she had the flu about ten or twelve weeks ago and never completely recovered from the effects of it. However, little fear was felt by her relatives and friends until a week or so ago when they learned that her condition was dangerous. On last Sunday afternoon Mrs. Gregg became decidedly worse and since that time has been in practically an unconscious condition.

The deceased was 76 years old at the time of her death. Surviving her are her husband, Frank Gregg, and one son, Harry, who makes his home with his parents.

Funeral services will be held Sunday forenoon at 10:30 o'clock at the Methodist church, where the deceased was a member. Burial will be held in Riverside cemetery.

Mrs. E. B. Macy will return today from Indianapolis where she has been attending the convention of the Rebecca lodge.

Says Rheumatism Leaves You Forever

James H. Allen, of Congress Avenue, Rochester, N. Y., once a rheumatic cripple, who discovered ALLENRHEUM and with it banished every trace of rheumatism and every sign of rheumatism from his body, says that every druggist guarantees a full pint bottle of ALLENRHEUM to show the way to complete recovery or money back. It relieves at once and immediately after you start to take ALLENRHEUM the good work begins. It searches out uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels. Even in cases where suffering has been piteous and painful all traces of this dread disease disappear in a few days. The Holthouse Drug Co. can supply you.

DID HIM MORE GOOD

Many men and women suffer from backache, rheumatic pains, stiff joints, sore muscles and other results of kidney trouble because they neglected the first warning symptoms. Foley Kidney Pills aid the kidneys to throw out poisonous waste matter that causes pain and misery. Stephen Lewis, Eldridge, Ky., writes: "Foley Kidney Pills did me more good than all the other medicine I ever took. I had kidney trouble ten years. I don't have any pain like I had before I took them." Sold everywhere.

MORE MONEY GIVES IMPETUS TO WORK AGAINST CATTLE TUBERCULOSIS

An item in the appropriations bill recently passed by Congress providing \$2,877,600 for the control and eradication of bovine tuberculosis during the year beginning July 1, 1922, will give new impetus to the campaign against this greatest live-stock scourge which has slackened of late in some states because of a lack of funds for paying indemnities. The law provides that \$850,000 of the appropriation may be used for administration and operating expenses, and that the remainder, \$2,027,600, may be used for paying the Federal Government's share of indemnities for reacting cattle slaughtered according to the regulations of the United States Department of Agriculture. This is an increase of \$427,600 in the money that may be paid for indemnities directly to the farmers, but at the same time the funds for operating expenses such as salaries, traveling expenses, etc., have been reduced by \$128,800. A further qualification, providing that \$300,000 shall become available immediately on the signing of the act, will enable some states to resume the work without waiting for the beginning of the next fiscal year.

Therefore a greater amount of money will be available for indemnities during the year following July 1 than was available last year, which, because of the more general adoption of the area plan of eradication, should make it the best year since the work was started. The demands from live-stock owners for testing of cattle continues to increase, showing that the plan is practicable and the results desirable. In addition to the money provided by Congress, it is estimated that the various state will have a total of about \$5,000,000 available for the payment of indemnities during the coming year.

DAYS OF DIZZINESS

Come to Hundreds of Decatur People

There are days of dizziness. Spells of headache, languor, backache.

Sometimes rheumatic pains. Often urinary disorders. Doan's Kidney Pills are especially for kidney ills.

Endorsed in Decatur by grateful friends and neighbors. Ask your neighbor!

Mrs. A. A. Ackers, prop. grocery 927 N. 2nd St., Decatur, says: "Doan's Kidney Pills have done me more good than any kidney remedy I have ever used. My kidneys were weak and I often had severe backaches that made me miserable. I also had frequent dizzy spells and would almost fall if I attempted to stoop. My kidneys didn't act right, either I used Doan's Kidney Pills as directed and they helped me right away, relieving the backache and putting my kidneys in good order."

SAGE TEA DANDY TO DARKEN HAIR

Look Years Younger! Use the Old Time Sage Tea and Sulphur and Nobody Will Know.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

DOINGS IN SOCIETY

CLUB CALENDAR

Thursday
The Loyal Workers Class—Evangelical Church—Mrs. Amos Fisher.

The Baptist's Women Society—Mrs. Alva Baker—2:30.
Philathea Class—Schroll home.
Kings Daughters Class of U. B. Church—Helen Chronister.
M. E. Choir will practice Thursday evening at 7:30 prompt.

Friday.
Ladies Aid of Christian Church—At Church—o'clock.
Zion's Lutheran Aid Society—Afternoon—3 o'clock.
Friday—Women's foreign Missionary society, Mrs. Daniel Sprang.
C. L. C. degree team practice—K. of C. Hall—7:30.

Tuesday.
V. I. S. Class U. B. Church—Miss Vida Chronister, S. 11th St.

Classes number four and five of Union Chapel church met at the home of Mr. and Mrs. Charles Rabbit. Devotional was conducted by the president. A fine program was rendered. Mrs. Rabbit served a three course lunch which every one enjoyed. After playing games and a social time, they adjourned. Those present were: Mr. and Mrs. Charles Rabbit, Mr. and Mrs. R. A. Drummond, Mr. and Mrs. Walter Whittenbarger; Mr. and Mrs. Freeman Schnepf and daughter, Iona; Florence Worden, Lola Hitchcock, Marjory Britton, Erma Rabbit, Celeste Franklin, Esta Britton, Linnie Railing, Bertha Carter, Dortha Rabbit, Opal Worden, Clifford Fowler, Jack Bates, Lawrence Franklin, David Worden, Richard Worden, Paul Whittenbarger, Roy Whittenbarger, Wayne Worden, Cecil Franklin, Bernard Rabbit, Royce Walters, Floyd Schnepf, Forrest Walters and John Walters.

Ten members of the Senior class of the Decatur high school had a picnic at the Gym after the Class Day exercises this morning. Everybody brought their "goodies" with them and an enjoyable time was had, except for the fact that it was probably the last reunion meeting of the class and each and every member of the class regretted to think of the farewell. The class this year is composed of fifty four boys and girls, being one of the largest in the history of the Decatur high school.

The V. I. S. class of the United Brethren church will meet next Tuesday evening, May 23 at the home of Miss Vida Chronister, on South 11th street for their regular monthly business meeting. Every member please be present.

SAMUEL RALSTON SPENT \$2,063 IN SECURING THE NOMINATION FOR SENATOR

Indianapolis, May 18.—(Special to Daily Democrat)—Samuel M. Ralston, former governor, spent \$2,063 in winning the democratic senatorial nomination in the primary election, according to his expense account filed today with the clerk. The expenditures were apportioned as follows: Printing and publicity, \$945.57; Stationery supplies and posters, \$664.74; Organization, \$308.40; Stenographic and clerical forces, \$114.30.

MARRIAGE LICENSE

Clyde Noffsinger, farmer, Monroe, born February 8, 1897, son of Daniel Noffsinger, to Mary Bowman, French township, born September 12, 1898, daughter of Mrs. Mary E. Urlick.

FORMER SUPERINTENDENT OF STATE SCHOOL SYSTEM WAS A VISITOR HERE WEDNESDAY

Lawrence McHurnan, former state superintendent of public instruction, was a visitor in Decatur with city superintendent M. F. Worthman. While in the city Mr. McHurnan examined the books and records of the local school system and after he had finished he spoke very highly of the Decatur schools. He left this city this morning.

CUT THIS OUT—IT'S WORTH MONEY

Cut out this slip, enclose with 5c and mail it to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., writing your name and address clearly.
