Added Attraction
"You'll Be Surprised"
A two-reel comedy, featuring "Snookie" the humanzee. Admission 10c and 25c.

MORE MARRIAGES IN CO-ED COLLEGES

United Press Staff Correspondent Defiance, Ohio, May 31—If it were not for the reflection on the college" Miss Jeanette A. Morton, dean of women at Defiance College, would be a strong advocate of the campus marriage. "Any indications to the public, however, that something beside academic study is engrossing the minds of the co-eds is bad for the reputation of any college," she said.

On the other hand, Dean Morton declared every year Cupid is shooting his darts more accurately and liberally on the campuses of American colleges and universities. She compiled figures taken from a questionnaire sent to Deans of Women in American co-educational schools. "The results were startling," she said. "Eastern and western schools alike, everywhere, young men and young women are refusing to make marriage await their graduation.

"We cannot say that this is merely an 'on year' for campus marriages and that it will be different next spring, because the marriages have been increasing every year since the war."

The cause, Dean Morton asserted, is to be found in the growing independence of the feminine youth of America. "She has learned to follow her own decisions in most matters. When the right man comes along she takes him. Her self confidence leads her to believe they can make ends meet until the young man is established in his profession."

The one large drawback to college marriages, Dean Morton said, is that only the most capable girls can maintain a credible class standing while a courtship is in progress. The courtship, she admitted, is seldom allowed to suffer.

KOSCIUSKO COUNTY CITIZENS TRY THEIR CASES IN JUSTICE COURT WITHOUT LEGAL HELP

United Press Staff Correspondent Warsaw, May 31—Legal talent is being dispensed with in many instances in which cases are tried in justice courts of Kosciusko county.

In one day two cases were tried in the court of Justice J. S. Cain of Warsaw without either side engaging lawyers. Charles E. Valentine was given a judgement against John Bilz in an account case and Jerry Metzer was given a judgement against Charles Hively in an action for rent.

DOINGS IN SOCIETY

VERY SMALL PER CENT
OF GARNET MINERAL IS
USED FOR RING SETTINGS

• • • • •

Washington, D. C.—Although in the popular mind garnet is a dark red gem stone, used mainly as a setting in Miladi's rings and trinkets, by far the greater amount of this mineral produced really goes into the making of abrasive paper and cloth, used in

polishing or grinding wood, metals,

and other materials, according to the

United States Bureau of Mines. About

25 square feet of garnet paper, for in

stance, is used in the smoothing and

rubbing down incidental to the making

of one piano.

Next Sunday Riddles Colored All

Stars of Ft. Wayne will oppose the

Boosters and it is hoped their streak

of ill luck will be broken and that they

will forge ahead in the per cent

column. By their defeat Tuesday, the

Boosters have won two and lost two.

SPORT NEWS

New York—Johnny Kilbane, feather-weight champion, will fight Charley Boecker for the title and \$80,000 here this summer, according to Boecker's manager.

Chiswick, Eng.—Mrs. Melia Mallory, American tennis champion, won her first start here in the Middlesex tournament when she defeated Miss M. Whitfield, 6-1 and 6-2.

New York—Miss Helen Wainright, 17 year old swimmer, made a new world's record for 150 yards when she swam the distance in 1:43.15.

Philadelphia—William T. Tilden, world's single champion, won the Philadelphia tennis championship defeating Wallace Johnson, runner-up in the "Nationals" last year at 2-6, 2-6, 6-4, 6-2 and 6-2.

BOOSTERS DROP TWO

Sunday and Decoration Day proved to be "Jonah Days" for the Geneva Boosters when they dropped two games, the first at Dunkirk, where numerous errors on the part of the Boosters and ineffective pitching by Braden sent them down to defeat to the count of 13 to 2.

On Decoration Day the fast nine from Ridgeville met the Boosters on the local diamond and defeated them in a closely played contest, the final score being 7 to 6. Numerous hits were made by both teams but the fielding of both teams was good, each playing on about even terms. Ridgeville had the breaks of luck in the game as was most evidenced in the last inning, when with the score tied at six all, a hot grounder which should have been turned into a double play by the Boosters went through the second baseman, making both batter and runner safe. One man scored. At Geneva's turn at bat, Snyder singled after two men were down on infield grounders, when a spectacular catch of Reicheldeffer's clout into deep left put a damper on the hopes for tying the score and sending the game into extra innings. Cochran made his debut with the Boosters, occupying the mound in the absence of Braden, who had pitched both Saturday and Sunday before. He pitched a nice game and his defeat can in no way be attributed to him. His catch of a liner in the eighth inning was one of the features of the game. He was the only man who was able to hit for three bases during the game. He will appear in the fine-up in future contests it was earned last evening.
