**AMERICAN FEDERATION OF
LABOR AGAIN REJECTS ONE
BIG UNION IDEA TODAY**
Ohio National Guard Armory, Cin-
cinnati, June 16.—(Special to Daily
Democrat)—For the second time in
two days the American Federation of
labor convention here today struck
at the "one big union" idea and the
radicals, who support it. The conven-
tion rejected a resolution providing
for a universal union label to be used
by all trades, instead of the 51 differ-
ent labels now in use.

The resolution was offered by G. E.
Mikel, Arkansas, who said a Univers-
al label would end confusion in the
use of labels.

President Gompers asked Mikel
where he would place control of the
distribution of the label, asserting
that the agency controlling the label
would "wield tremendous power over
the various international unions."

Organized labor and the American
legion have "as common" enemies
those who seek to tear down the in-
tegrity of the nation." Henford Mac-
Nider, national commander of the leg-
ion told the convention in a speech
today.

MacNider declared that the legion,
like organized labor, is not in politics,
but that both are determined "the
country we worked and fought for,
shall stay American."

WOMEN MEN ADORE

Men admire a pretty face, a good
figure, but more than all a buoyant
disposition and the charm of happy
content. There is no question but what
a light-hearted woman is the joy of a
man's life, but no woman can be happy
and joyful when lagged down by the
ailments that so often develop
headaches, backache, nervousness and
"the blues."

We are continually publishing in
this paper letters from women who
have been restored to health by Lydia
E. Pinkham's Vegetable Compound af-
ter doctors and other medicines have
failed to help them. If you are ill
why not give it a trial.

New York Stock Exchange
New York, June 16.—While the
ratio of the whole federal reserve
system showed only a slight decline,
the figure from the New York regional
bank dropped 1½ per cent to 84.4
resulting in considerable irregular-
ity in prices at the opening of the
New York stock exchange today.

Studebaker displayed renewed
weakness, selling off 1½ to 119½ on
the initial transaction.

Fractional recessions took place
in Asphalt and General Motors, on
the other hand not a few leaders
showed improvement over the pre-
vious close. Mexican Petroleum, Steel
Common, Westinghouse, Marine pre-
ferred and Midvale scored gains in
first sale.

Cleveland Produce

Prices were steadier around noon
and recoveries of 1 to 2 points were
scored by Mexican Petroleum, American
Sugar, Studebaker, Marine Pfd., and
other stocks which were under pres-
sure during the morning. American
Can and Continental Can were
among stocks which appeared to be
well taken on recessions. That can
companies are doing satisfactory
business is evident from the pro-
nounced increase in production of
tin plate mills of United States Steel.
Tin plate mills are operating around
80 per cent of capacity and consump-
tion of tin plate is running about
double what it was a year ago.

Consolidated Gas at 11½¢ touched
a new low on the move, 9 points
under the year's high but still 12½
points above the price of 102.
