BEWARE OF SNAKEFEEDERS WHILE MOTORING THROUGH KOSCIUSKO COUNTY NOW

Warsaw, Ind., June 23.—Snakefeed-
ers, a large insect, with long wings
and a sting like a wasp, and resem-
bling the shape of an airplane more
than any other insect, have appeared
in northern Indiana by the millions
and have been inconveniencing auto-
moblists passing through the rural dis-
tricts. Swarms of the insects also
have invaded summer resorts cottages
and houses in towns of Kosciusko
county. The recent high temperature
is said to have been responsible for
the marked increase in the number of
insects.

TWO ARRESTED FOR SPEEDING

Men Riding on Monroe Street Arrested by Chief of Police Reynolds

Fred Engle and Gail Hendricks, em-
ployees of the General Electric com-
pany, were arrested by Joel Reynolds,
chief of police, yesterday afternoon,
on a charge of violating the city speed
law. According to the officer the two
men were racing on West Monroe
street in their Ford automobiles and
were traveling at the rate of speed of
thirty miles an hour or greater.

Chief Reynolds was walking on Mon-
roe street when the two cars passed
him. He says he recognized the driv-
ers and later called for them at the
General Electric plant on the tele-
phone, notifying them to report in the
city court at 7 o'clock yesterday eve-
ning. The two men appeared before
Mayor DeVoss yesterday evening and
pleaded not guilty to the charge. The
court set the case for trial on Sat-
urday, July 1.

MEN BLIND TO WOMAN'S SUFFERING

How many men, think you, have any
idea of the pain endured by women in
their own household, and often without
a murmur? They have no patience
when the overworked wife and mother
begins to get pale, have headaches,
backaches, faint spells, or is mel-
ancholy and cannot sleep. There is
help for every woman in this condi-
tion, as evidenced by the many vol-
untary letters of recommendation
which we are continually publishing
in this paper for Lydia E. Pinkham's
Vegetable Compound. It will pay any
woman who suffers from such ail-
ments to give it a trial.
