Defeat for Mine Owners Looms in Federal Court

(Continued from page one)

Harding will make an address at the conference which may be the opening gun in an administration campaign to bring the pressure of public opinion against the warring factions so they will feel compelled to settle.

The administration is ready to assure the operators that there will be no prosecutions under the Anderson injunction if they will get with the miners to frame a new national wage scale. The operators have contended that a national conference could not be held because of the injunction.

The conference is a supreme test for the president's idea that big international and domestic disputes can be amicably settled, if the opposing factions are brought face to face around a conference table.

Following Harding's address the conference probably will be turned over to Hoover and Davis.

Daily Report of Local and Foreign Markets

New York Stock Exchange
New York, June 28—Substantial foundation for the advance in Mexican Pete was found in the statement for five months ended May 31 which showed profits of \$27.28 a share. Mexican Pete advanced three points to 185 in the early trading and Pan American gained 1/2 to 80 1/2.

Rails were fractionally stronger, reflecting an 23.885 decrease in idle cars on June 15, compared with the previous week. Loadings of revenue freight during the week ended June 17 also showed an important increase 11.30—Professional pressure was directed against oils in the first hour on the New York stock exchange today, not on account of any unfavorable developments in the trade situation, but because this class of stock appeared to be in a good technical position.

Shorts in the whole oil group had taken flight in the wake of Mexican Pete's rise.

With the cessation of that movement, the general oil list invited bearish attack. Standard Oil of California dropped to 100 1/2 off 3 1/2; Asphalt to 65 1/2, off 1/2; Pacific Oil to 54 1/2, off 2; Producers and refiners to 47 1/2, off 1/2; California Pete to 60 1/2, off 1 1/2.

Rails appeared to be marking time pending the outcome of steps looking toward the solution of current labor problems.

MORE EVIDENCE IN MYSTERIOUS AUBURN MURDER

(Continued from page one)

was from this gun that the shots were fired according to the officers, as the gun holds just nine charges.

The added fact that the other gun found with the automatic was positively identified by Sheriff Hoodelmier, of Auburn, as that in the possession of the suspect when arrested in connection with the death of James Sheffer's two children, who were killed in a gas explosion on the night of Jan. 6, 1921, further tightens the net, officers claim.

Nie Sheffer, following the announcement of the final and seemingly conclusive evidence of his connection with the crime, will be charged formally with the murder within the next two days, according to information received here from Auburn last night. It is likely that the charge will be brought by Sheriff Hoodelmier and that Sheffer will be returned to Auburn immediately to face the preliminary charge. The transfer of the prisoner from the local jail to be Auburn courtroom will probably be effected with all possible secrecy.

Fear that violence would result upon the return of the suspect to Auburn was overcome following the funeral of the victims of the latest tragedy when the feeling against Nie Sheffer seemed to die down to a great degree, according to Auburn officials.

Auburn, June 28—Indications that Nie Sheffer held in the jail at Fort Wayne as a suspect in the recent ghastly murder which has aroused this entire community, will be returned here for a preliminary trial was seen tonight when officials started preparations for court action in the case.

Possibilities of calling a special session of the grand jury seemed likely tonight, although no definite action has been taken in this direction. The present term of court will continue until early in September and an effort will probably be made to have the suspect indicted before the end of the present term.

A photographic account of the crime, as explained by circumstances involved to this time, will be made by Auburn officials for the purpose of using them as exhibits in the coming trial, Sheriff Hoodelmier stated tonight. These will consist of pictures of the tent in which the suspect made his home, diagrams of the territory which must have been covered by the alleged murderer, pictures and diagrams of the paths and probable movements of Nie Sheffer following the murder, and other details which will be brought out in the evidence.

The greater part of the \$60,000 estate left by James W. and Cora Sheffer will be divided among Methodist churches and organizations as permanent endowments in the form of a memorial to their children who were killed in the gas explosion which wrecked the Sheffer home in January, 1921, it was learned yesterday when the will was admitted to probate in the courts here.

Nie Sheffer, as well as many other relatives, are given an equal share of \$1,000 each in the estate, it was shown in the opening clauses.

The Methodist hospital, of Fort Wayne, was mentioned as a beneficiary in the estate, along with De Pauw University; M. E. Memorial Home for the Aged at Warren, Ind.; Olive Home at Olive Hill, Ky.; Auburn Y. M. C. A., and the Eckhart public library. In each clause naming the above beneficiaries the several trustees

MONTHS OF SUFFERING

How a Baltimore Girl Recovered Her Health

Baltimore, Maryland.—“For several months I suffered with severe backache and general weakness. I could not sleep comfortably at night for pains in my back. I found your book at home one day and after reading it began at once to take Lydia E. Pinkham's Vegetable Compound. I have had very good results and some of my girl friends are taking it now. You may use this letter to help other girls, as the letters in your book helped me.” — ROSE WADNER, 3013 Roseland Place, Baltimore, Md.

That is the thought so often expressed in letters recommending Lydia E. Pinkham's Vegetable Compound. These women know what they have suffered, they describe their symptoms and state how they were finally made well. Just plain statements, but they want other women to be helped.

Lydia E. Pinkham's Vegetable Compound is a medicine made from medicinal roots and herbs, and without drugs, to relieve the sickness women so often have, which is indicated by backache, weak feelings, nervousness, and no ambition to get anything done or to go anywhere. It has helped many women. Why not try it?

tees are also given \$1,000 to be invested and held in trust, as memorials to Heber and Martha Sheffer, the proceeds only to be devoted to the maintenance of the several institutions.

Mrs. John Wilson entertained the “500” club last Tuesday evening at her home. This was the last meeting of the season. Prizes were won by Mrs. Dick Boch, Mrs. Keller and Mrs. Carrie Ehinger. Afterwards a two course luncheon was served.

The Bridge club was entertained by Mrs. John Wilson last night. A fainty lunch was served. Prizes were won by Mrs. Dan Niblick and Miss Rose Tonnelier.

The closing meeting of the season of the So Cha-Rea club was held last evening, Miss Agnes Weber being the hostess. The Weber home was beautifully decorated with flowers and during the evening Five Hundred was played, the prizes being awarded to Miss Esther Miller, Mrs. Raymond Jass and Miss Marie Gass, while the guest prize was awarded to Miss Helen Garard of Louisville, who is the guest in the city of Miss Agnes Weber. Other guests besides the club members were the Misses, Mary Clouse, Virginia Smith, and Vermin Niblick. Following the card playing, Miss Weber served a most delicious luncheon.

The Martha and Mary's Sunday school class entertained their husbands at a picnic supper last evening at the beautiful country home of Mr. and Mrs. Harry Butler.

A long table was placed on the lawn which was loaded to the groaning capacity with chicken, cherry pie, apple and many other good things which soon disappeared.

Several entertaining speeches were made by members of the party.

A general good time was enjoyed by all and congratulated Mr. and Mrs. Butler as royal entertainers.

Several Decatur people went to Bluffton this afternoon to attend the wedding of Miss Mary Painter, daughter of Mr. and Mrs. John H. Painter, to Justice Weber son of Mr. and Mrs. Harry Weber. Miss Painter is well known in this city, having taught school here during the past winter. Mr. Weber is associated in business with his father who is manager of the Bliss Hotel in Bluffton. The wedding occurred at the bride's home at 2:30 o'clock this afternoon.

Mrs. Ran Beery entertained yesterday afternoon at her home for her little granddaughter, Miss Marietta Dailey. Games were played and a delightful little lunch was served. Two balloons were given for favors. Those who attended were: Katherine Howler, Mary Katherine Tyndall, Elaine Burke, Charlotte Butler, Marjorie Carroll, Harriett Fruchte, Katherine Sellemeyer and Marietta Dailey.

WORN NERVES

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor!

Mrs. John Durbin, 127 S. 9th St., Decatur, says: “My kidneys were out of order and I had sharp pains through my back and I was almost helpless. I couldn't sleep nights and was miserable all day. Headaches almost drove me frantic and I became nervous and irritable. My feet swelled and I felt bloated all over. My kidneys caused a great deal of annoyance and were irregular in action. I used Doan's Kidney Pills from Smith, Yager & Falk's Drug Store and they helped me right along until I was free from backache and that heavy bloated feeling. My kidneys were regulated and I felt fine.”

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Durbin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The next step is to pass it through a purifier where certain sulphurous impurities are removed by contact with oxide of iron. When this is accomplished, the gas is ready to be measured and delivered to the mains.
