INSPIRING SERMON DELIVERED AT CHRISTIAN CHURCH LAST NIGHT BY THE REV. MARTIN

"The Bible as History," was the sub- ject of the sermon given last night by the Rev. Martin, evangelist who is con- ducting the revival services at the Christian church, pointed out that the books of the Bible constitute a faith- ful record of the real and actual events that happened during the life of Christ, and not fiction drawn from some man's imagination. Jesus Christ, he said, was first of all a Savior from sin and not a social reformer. Social reform fol- lows as a result of sin reform, he said.

The first business of the church is to preach Christ as a Savior from sin and then a social reformer, the Rev. Martin declared last night. To be- lieve in Christ means more than believ- ing in him as a good moral character, it means believing in him as the son of God, the speaker said.

The Rev. Martin's sermons are all of a practical nature and of vital inter- est to everyone. The subject of the sermon for Sunday morning will be, "The What and Where of Forever."

EXCELLENT HARP SOLOIST COMING TO DECATUR WITH MILLION DOLLAR BAND

It is seldom that we find a Harp in a brass band, however, Bachman's Million Dollar Band which is coming to Decatur on July 3rd and 4th is one of the happy exceptions of the rule. When Mr. Bachman decided to add harp to his band he engaged a man who had a very rich band experience. Mr. John Laulett who has been harp soloist with Innes Band for many years was engaged by Mr. Bachman and aside from playing in all band se- lections rendered, is heard in each program in solo numbers. Mr. Laulett is said to have remarkable technique on this delightful instrument and is said to be one of the favorite soloists with the band.
