SWALLOW'S FLIGHT

Paris.—It's a far cry from Alsace
to the West Indiana island of Martini-
que, but that is the trip an Alacian
swallow took last year for the winter.
A resident of a village near Colmar
captured the bird in the summer of
1921 and set it at liberty with the fol-
lowing note attached under its wing:
"During the summer of 1921 I lodged
in the roof of the residence of M.
Greiner at Osteinheim-Behlheim. I
ought to let him know where I spent
the winter."
M. Greiner has just received a visit
from the swallow, who this time has a
note saying:
"I spent the winter at the home of
Joseph Bady, shoemaker, in the island
of Martinique, who begs me to salute
in his name my Alacian host."
