have expressed their cordial interest and readiness to co-operation, since this is what President Harding has well described as the "Greatest Humanitarian movement of the ages." It means the salvaging of a whole nation.
So let no one wait till the 15th of Aug. but make up your bundles now, by going thru attic and closets and gathering together what you can spare, of worn out or cast off clothes, and if better ones can be given, so much the better, remembering the words of HIM, who said, "I was naked, and ye clothed me." and on Tuesday, August 15th, Decatur can do something worthwhile.

SURE TO HELP SICK WOMEN

Mrs. Baker, So Much Benefited by Lydia E. Pinkham's Vegetable Compound, Anxious to Help Others

Lebanon, Indiana.—"I was completely run down from women's troubles and stomach trouble and for a long time was hardly able to do my work. I had some friends who had taken Lydia E. Pinkham's Vegetable Compound, and they told me about it. I know what it has done for me and I recommend it to others, as I am sure it will be a great help to all sick women. It is a wonderful medicine, and I give you permission to use my testimonial and my photograph."—Mrs. EMMA BAKER, 310 S. East St., Lebanon, Indiana.

These letters recommending Lydia E. Pinkham's Vegetable Compound ought to convince women of the great worth of this medicine in the treatment of ailments to which they are often subject. Mrs. Baker calls it "a wonderful medicine." If you are suffering from troubles women often have, or feel all run down, without any ambition or energy for your regular work, take Lydia E. Pinkham's Vegetable Compound. It is a natural restorative and should help you as it has Mrs. Baker and many, many other women.
